Eric Bosarge
Regulatory Agent for Fiebing Company, Inc.
P.O. Box 694
Milwaukee, WI 53201-0694

Subject: PRIA Label Amendment – change source of 100% repack
Product Name: Fiebing's Flyspray 44
EPA Registration Number: 9816-2
Application Date: 06/26/2020
Decision Number: 564433

Dear Mr. Bosarge

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

[See [inside, side, front, back] [panels, booklet, leaflet, label] for [First Aid and] [complete Directions for Use and] additional Precautionary Statements]

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions, use restrictions, and precautions.

USE RESTRICTIONS

- This product may only be used on horses and ponies.
- Not for use on horses or foals intended for slaughter.
- Not for use in outdoor residential misting systems (indoor or outdoor).
- Except when treating horses and ponies, do not enter or allow others to enter the treated area until vapors, mists, and aerosols have dispersed, and the area has been thoroughly ventilated.
- Except when applying to horses and ponies, do not apply this product in a way that will contact workers or other persons, either directly or through drift.
- Except when applying to horses and ponies, only protected handlers may be in the area during application.
- Not for use in farm structures or buildings housing food-producing animals or poultry, or in milk rooms.
- Do not allow product to contact animal's eyes, nose, mouth, or any sores during application.
- Do not use on foals under 12 weeks old.
- Only apply as a fine mist spray in a well ventilated area. Do not apply more than 1 time per day.
- Do not make outdoor applications in the rain.
- Remove or cover exposed food/feed and water before spraying. Do not apply to dairy animals.

Fiebing's Flyspray 44 has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out 1-2 ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

USE TO WIPE ON First brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs shoulders shanks neck and facial areas where flies most often are seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin. After application brush out thoroughly to bring out bright sheen on the coat. Repeat daily or as required.

USE AS A SPRAY Fiebing's Flyspray 44 may be applied as a fine mist spray to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water promptly after use and before eating, drinking, chewing gum, using tobacco or using the toilet.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear long-sleeved shirt and long pants, shoes and socks and chemical - resistant gloves made of barrier laminate, nitrile rubber, neoprene rubber, or Viton.

User Safety Requirements

Follow manufacturer's instructions for cleaning / maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

User Safety Recommendations

Users should wash hands before eating drinking chewing gum using tobacco or using the toilet. Users should remove clothing / PPE Immediately. If pesticide gets inside then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a national Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

This product is toxic to aquatic organisms, including fish and invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through runoff. This product has a potential for runoff for several weeks after application. Poorly draining soils and soils with shallow water tables are more prone to produce runoff that contains this product.

This product is highly toxic to bees and other pollinating insects exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees or other pollinating insects are foraging the treatment area.

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment wash-waters or rinsate.

PHYSICAL AND CHEMICAL HAZARDS

FLAMMABLE Keep away from heat and open flame

FIRST AID

IF SWALLOWED

Call a poison control center or doctor immediately for treatment advice, or transport the patient to the nearest hospital.

Do not induce vomiting unless told to do so by a poison control center or doctor.

Do not give any liquid to the person

Do not administer anything by mouth to an unconscious person.

IF INHALED

Move person to fresh air.

If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.

Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING

Take off contaminated clothing

Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for further treatment advice.

IF IN EYES

Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses if present after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for further treatment advice.

For MEDICAL Emergencies Call 24 Hours A Day 1-800-334-7577
Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents) you may call 1-800-334-7577 24 hours per day 7 days per week
NOTE TO PHYSICIANS Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

STORAGE AND DISPOSAL

Do not contaminate water food or feed by storage and disposal.

Pesticide Storage: Store upright at room temperature in a dry (preferably locked) area that is inaccessible to children and pets and away from heat sparks or open flames. Avoid exposure to extreme temperatures.

Pesticide Disposal: Pesticide spray mixture or rinse water that cannot be used according to label instructions may be disposed of on site or by an approved waste disposal facility following applicable Federal, state, and local procedures..

Container Handling: Non-refillable container. Do not reuse or refill this container.

If empty offer for recycling if available or place in trash.

If partly filled Call your local solid waste agency or toll free at 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

IMPORTANT READ BEFORE USE

Read the entire Directions for Use Conditions Disclaimer of Warranties and Limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product user or buyer accepts the following conditions disclaimer of warranties and limitations of liability.

CONDITIONS The directions for use of this product are believed to be adequate and must be followed carefully. However because of manner of use and other factors beyond Fiebing Company Inc's control, it is impossible for Fiebing Company Inc. to eliminate all risks associated with the use of this product.
