

BACSOFT when used as directed will provide residual bacteriostatic activity against Staphylococcus Aureus and Brevibacterium ammoniagenes under conditions of high relative humidity or wet contamination.

BACSOFT inhibits the growth of ammonia producing bacteria (B. ammoniagenes) which act on urine in diapers to produce ammonia.

BACSOFT when used as directed will assist in reducing the hazards of cross-infection from treated fabrics.

BACSOFT softens clothes, thus eliminating chafing, "Static Cling" out of nylons and other synthetic fabrics. Improves ironing, drying, conditioning, softness, handling and feel.

Rinse empty container with water and discard it. Keep away from children and livestock.

# BACSOFT

## BACTERIOSTAT-FABRIC CONDITIONER CONCENTRATE

E.P.A. REGISTRATION No. 9839-7

Residual Bacteriostat under conditions of high relative humidity or wet contamination.

### ACTIVE INGREDIENTS:

n-Alkyl (60% C<sub>14</sub>, 30% C<sub>16</sub>, 5% C<sub>12</sub>, 5% C<sub>18</sub>)  
dimethyl benzyl ammonium chlorides ..... 4.0%  
n-Alkyl (68% C<sub>12</sub>, 32% C<sub>14</sub>) dimethyl  
ethylbenzyl ammonium chlorides ..... 4.0%

INERT INGREDIENTS:..... 92.0%  
100.0%

## DANGER

KEEP OUT OF REACH OF CHILDREN. See Right Side Panel for additional precautions and antidote.

Manufactured By

## TROST CHEMICAL COMPANY

7013 Gainesborough Drive  
Knoxville, Tennessee 37919

NET CONTENTS ..... LBS.

### USE DIRECTIONS

FOR COMMERCIAL & INSTITUTIONAL LAUN-  
DERING add BACSOFT in final rinse cycle at 2.5  
oz. per each 100 lbs. of dry laundry. Run this  
rinse for 5 minutes at temperatures between 80  
degrees and 120 degrees F.

### DANGER

Keep Out Of Reach Of Children. Corrosive.  
Causes eye damage and skin irritation. Do not  
get in eyes, on skin or on clothing. Wear goggles  
or face shield and rubber gloves when handling.  
Harmful or fatal if swallowed. Avoid contami-  
nation of food.

### FIRST AID

In case of contact, immediately flush eyes or  
skin with plenty of water for at least 15 minutes.  
For eyes, call a physician. Remove and wash  
contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of  
milk, egg whites, gelatin solution or if these are  
not available, drink large quantities of water.  
Avoid alcohol. Call a physician immediately.

### NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate  
the use of gastric lavage. Measures against cir-  
culatory shock, respiratory depression and con-  
vulsion may be needed.
