MAY 10 1993

Mr. Andrew Kieniksmán  
Rite-Off, Inc.  
1545 5th Industrial Court  
Bay Shore, NY 11706

Dear Mr. Kieniksmán:

Subject: Revised Labeling to add Pescs; Request for Alternate  
Formulation  
Rite-Off Industrial Concentrate Insecticide  
EPA Reg. No. 9852-27  
Submission dated March 30, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

However, the alternate formulation is not acceptable as submitted. You must specifically identify the floral fragrance used in this alternate formulation. If necessary, have your supplier submit, directly to us, the complete composition for the "floral" fragrance, referencing your reg. no. in their response. All chemical components should be listed by CAS number and percent in the mixture.

Sincerely,

Rita Kumar  
Acting Product Manager (10)  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in any manner inconsistent with its labeling.

Hold container upright with nozzle away from you. Press valve down and spray as directed. Keep nozzle at least 36 inches from surfaces or fabrics to avoid possible staining. Remove pets, birds and caged fish aquariums before spraying.

**Flies, Mosquitoes, Gnats, Wasps, Hornets, Bees, and Small Flying Moths:** Close all doors and windows and fill the room with mist. Direct spray to all parts of room, especially windows and other light sources which attract these insects. Keep nozzle in constant motion. Keep room closed for 10 to 15 minutes after treatment. Repeat treatment as necessary.

**Roaches, Water Bugs, Silverfish, Crickets, Spiders, Centipedes and Sew Bugs:** Spray into hiding places such as cracks and crevices, behind sinks, cabinets, along baseboards and floors, around drains and plumbing, killing insects with spray whenever possible. Repeat treatment as necessary.

**Ants, Carpet Beetles:** Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

**Indian Meal Moth, Argentine Grain Moth:** Close doors and windows. Direct spray to all parts of room, especially around stored food product containers, pallets, and darkened areas. Spray 7 to 10 seconds for each 1,000 cubic feet of space. Keep area closed for 15 minutes following treatment. Repeat application weekly or as needed.

**Rice Weevils, Granary Weevil and Grain Mites:** Spray into cracks and crevices, processing and handling equipment, around cartons or containers and other areas where these insects tend to congregate. Spray 30 seconds for each 100 square feet of surface. Keep area closed for 45 minutes to 1 hour after treatment. Repeat application as necessary.

**Carpet Beetles:** Spray directly on beetles, floors, baseboards, shelves and carpets. Repeat treatment as necessary.

**Bedbugs:** Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and floors. Repeat treatment as necessary.

**Fleas:** Spray sleeping quarters, bedding, floor and floor covering where pets are kept. Repeat as necessary. Use only a recommended pet spray on pets.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION** Harmful if swallowed. Avoid contamination of feed and feedstuffs. Vacate premises after treatment and ventilate before reoccupying. In hospital, remove patients before treating. Ventilate rooms for 2 hours before returning patients. Avoid inhalation of spray mist. Avoid contact with skin and eyes.

When using this product in food processing plants, foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, spray only when facility is not in operation.

**CHEMICAL HAZARDS** Contains under pressure. Do not puncture. Do not expose container to temperatures above 120°F. Never throw container into fire or incinerator. Do not use or store near heat or open flame. Do not use this product in or around electrical equipment due to the possibility of shock hazard.

**STORAGE & DISPOSAL** Replace cap and discard containers in trash. Do not puncture or incinerate.
