

[9852-29]

DIRECTIONS

This ready-to-use concentrate may be dispersed through good mechanical, thermol, or compressed air fogging or spraying equipment.

Remove pets, birds, and cover fish aquariums before spraying.

The use of this product in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using.

SPACE TREATMENT: Close doors and windows and shut off ventilating systems. Apply as a fog or fine mist, distributing the spray throughout the area. Use at a rate of 1 ounce per 1000 cubic feet of space. Keep area closed for 10 to 15 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment as necessary.

The above described application will kill accessible, exposed stages of flies, fruit flies, mosquitoes, flying moths, gnats, wasps, hornets, and these common stored product pests: granary weevils, rice weevils, confused flour beetles, saw-toothed grain beetles, spider beetles, cigarette beetles, Drugstore beetles, Angoumois grain moths, Mediterranean flour moths, Indian meal moths, and tobacco moths.

Camravan's Note

VAPORIZOR CONCENTRATE

EPA Reg. No. 9852-29

An Effective Semi-Concentrated Pyrenone[®] Insecticide.

For Application in Specialized Mechanical, Thermol or Compressed Air Fogging Equipment such as Tifa Fog, Challenger, Microsol, Tornado, Halaby Klip-On or Bes-Kill Aerosol Generator.

*Equivalent to 1.92% of (butylcarbityl) (6-propylpiperonyl) ether and 0.48% of related compounds.

PYRENONE -- Registered Trademark of FMC Corporation

CAUTION
KEEP OUT OF REACH OF CHILDREN
See rear panel for additional precautions

Manufactured by
RITE-OFF CORPORATION
163 DUPONT STREET
PLAINVIEW, NEW YORK 11803

SURFACE APPLICATION: To insure maximum control of crawling insects listed, apply as a coarse mist directed toward insects, into cracks, crevices, around machinery, around containers of stored products and other areas wherever these insects may hide, hitting insects with spray whenever possible. Repeat treatment as necessary.

The above described application will kill accessible, exposed stages of **silverfish, crickets, roaches, spiders, scorpions, clover mites, cheese mites, cheese skippers, meal worms, and grain mites.**

CAUTION: Harmful to fish. Avoid contact with contamination of food or feed.

This product is toxic to fish. Keep away from lakes, streams or ponds. Do not discharge into water by cleaning of machinery or disposal of wastes. Apply this product only as directed on this label.

Do not reuse empty container. Do not perforate or crush and do not burn. Recycle or place in proper disposal container.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.
