RITE-OFF, Inc. 1545 Fifth Industrial Court Bayshore, NY 11706

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above FPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
 - Please make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 9852-70".
 - b. Revise the disposal statement to read "Replace cap, wrap in several layers of newspaper and discard in the trash. not puncture or incinerate.
 - c. There is no need to retain on the label "Dielectric Breakdown Voltage: 40.1 KV by ASTM Test Method D-877". Either remove or indicate why you believe this information is needed.
 - Provide a clear description of your formulation process for this product.
