U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
9852-76

Date of Issuance:
AUG 22 1997

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance: Conditional

Name of Pesticide Product:
Platinum Total Release
Aerosol

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Catherine Kirkpatrick
Rite-Off, Inc.
105 Park Ave.
Seaford, DE 19973

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 9852-76".
 - b. The word "AEROSOL" in the product name is misleading because your product is only used as a fogger and not as a combination aerosol/fogger product. Please change the name of the product to "PLATINUM TOTAL RELEASE FOGGER" and replace the word "aerosol" with the word "fogger" everywhere it appears on your label.

Signature of Approving Official:

Date:

c. Move the statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" directly beneath the heading "DIRECTIONS FOR USE."

d. Change the STORAGE AND DISPOSAL statement to read as follows:

Storage: Store in original container in a cool, dry place inaccessible to children and pets and away from heat, sparks or open flame.

Disposal: Replace cap, wrap in several layers of newspapers, and discard container in trash. Do not puncture or incinerate."

e. Change the sentence "Not for use in USDA meat and poultry plants" to "Not for use in Federally inspected meat and poultry plants."

f. Replace the section that begins "IMPORTANT! To avoid FLAMMABILITY HAZARD,...etc..." with the following paragraph:

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valve), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance."

g. From the section labeled "STEP 1: PREPARATION", delete the sentences "Do not place activated aerosol in a cabinet or under a counter or table. Do not use this aerosol in an area less than 100 cubic feet."

3. Make the following changes to your Confidential Statement of Formula:

a. The lower certified limit for the active ingredient is incorrect. Pursuant to 40 CFR 158.175, the certified limits should be ±10% of the nominal concentration. Please submit a revised Confidential Statement of Formula. If you choose to propose limits that differ from the standard certified limits calculated according to 40 CFR 158.175(b)(2), please provide an explanation of the basis for the proposed certified limit.

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca

PRECAUTIONARY STATEMENTS
Hazardous to Humans & Domestic Animals

CAUTION: Harmful if swallowed. May be absorbed through skin. Avoid inhalation of vapor or spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling and before smoking or eating. Avoid contamination of feed and foodstuffs. Remove pets and birds and cover fish aquariums before spraying. Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

Physical or Chemical Hazards

Contents under pressure. Do not puncture or store near heat or open flame. Do not puncture or incinerate container. Do not place on stove or radiator. Exposure to temperatures above 120° F may cause bursting. Do not use this unit in an area less than 100 cubic feet.

STORAGE AND DISPOSAL

Storage: Store in original container in a cool, dry place inaccessible to children and pets.
Disposal: Replace cap and discard container in trash. Do not puncture or incinerate.

DIRECTIONS FOR USE

STEP 1: PREPARATION

Open cupboards, cabinets, trunk and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets, birds, and tightly cover or remove fish bowls and aquariums before spraying. Cover waxed wood floors and waxed furniture in the immediate area surrounding the aerosol (newspapers may be used). Remove or cover exposed foods, dishes, utensils or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Shut off electrical appliances. Do not place activated aerosol in a cabinet or under a counter or table. Do not use this aerosol in an area less than 100 cubic feet.

STEP 2: ACTIVATION OF AEROSOL

SHAKE WELL JUST BEFORE USING. Place a section of

newspaper on floor in center of room to be treated. **NOTE:** Do not place aerosol on water-stainable surface. Do not place can within 6 feet of pilot lights. Tilt can opening away from face, set aerosol on newspaper, leave room and closed door. After activation, leave room or house at once. Keep area closed for 2 hours (30 minutes for flying insects) before airing out. Open all doors and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facilities in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held.

Commercial food/feed areas where the product cannot be used include areas for receiving, serving, storage, (dry, cold, frozen, raw), packaging (cleaning, slicing, cooking, grinding), edible waste storage, enclosed processing systems (mills, dairies, edible oils, syrups).

Nonfood areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Not for use in USDA meat and poultry plants.

IMPORTANT! To avoid **FLAMMABILITY HAZARD**, use can as follows:

- Only one can per room.
- Do not place in cabinet or under counter table.
- Shut off electrical equipment.
- Place can at least 6 feet from pilot lights.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given hereon.
