## CAUTION - Keep Out of Reach of Children

Harmful if swallowed. Avoid inhalation of vapors, spray and dust.

For use on citrus to control rust mites and for zinc and copper nutrition.

**DIRECTIONS:** Use one bag to each 500 gallon spray tank, adding when tank is partially filled. Keep tank agitated while filling and during spray operations. Spray all foliage thoroughly. Do not use in combination with oil emulsion. Do not use NUTRITIONAL MIX 117 within 3 weeks after oil application.

Sulphur may burn foliage when temperature is high. Do not make applications at such times. Consult with your State Agricultural Extension Service for additional information consistent with this label's cautions and directions.

**ENVIRONMENTAL PRECAUTIONS:** DO NOT reuse empty container. Destroy it by burying with water or burning. Stay away from smoke or fumes. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

This product is toxic to fish, birds, cats and other wildlife. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from area treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

**NOTICE:** Seller makes no warranty, expressed or implied, concerning use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
