

**DIRECTIONS**

Apply with the sprayer, supplied or, if desired, with hand sprayers of any kind, vacuum cleaner spray attachments, spray guns, or sponges. Be sure to cover all items treated thoroughly enough to produce the appearance of heavy dew. Do not handle until dry. Blankets and rugs should be treated on both sides. Approximate amounts to use: Suit or dress, 1/3 pint. Hunting coats, etc., 1/3 pint to 1/2 pint. Blankets, 1 pint. To use sprayer supplied, screw top on bottle with tube in liquid. Push down on plunger with forefinger and repeat until spray is produced. Repeat application whenever the articles are washed or dry-cleaned.
