Dear Mr. Spires:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with comment.

Proposed Amendment:

- Response to PR Notice 2001-1

General Comment:

- The statement "Limited Disinfectant Against Intestinal Bacteria" is not acceptable because intestinal is not a recognizable efficacy claim. Therefore, the word "Intestinal" must be deleted from the statement.
