Attn: Richard R. Baker
Chemist

Subject: Uniclean 19.9/85
EPA Registration No. 9886-17
Your Amendment Application Dated April 2, 1992

This is in response to your amendment for the subject product to revise the Precautionary Statement.

The labeling referred to above, submitted in connection with registration under the Federal, Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment bearing the amended labeling.

- 1) The statement you have revised should be placed directly under the heading "Hazards To Humans And Domestic Animals."
- 2) Add the following sentence to the end of your Hazards to Humans and Domestic Animals" statement.

"Wash thoroughly with soap and water after handling."

For further reference, please note that this type of request should be submitted as an amendment rather than a notification. Also, five copies of draft labeling should accompany any labeling amendment request.
