Jacksonville, FL 32254

Subject: **Uniclean 19.9/85**
EPA Registration No. 9886-17
Your Letter Dated August 7, 2003

Dear Mr. Spires:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with comment.

Proposed Amendment:

- Response to PR Notice 2001-1

General Comment:

- The statement "Limited Disinfectant Against Intestinal Bacteria" is not acceptable because intestinal is not a recognizable efficacy claim. Therefore, the word "Intestinal" must be deleted from the statement.

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me at (703) 308-6422 or Renae Whitaker at (703) 308-7003.

Sincerely,

A handwritten signature in black ink that reads "Renae J. Whitaker".

Adam Heyward
Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510C)

Enclosure

ACCEPTED
WITH COMMENTS
in EPA Letter dated

OCT 16 2003

Under the Federal Insecticide,
Fungicide and Rodenticide Act as
amended for the pesticide,
registered under EPA Reg. No. 9886-17

FIRST AID :	
If inhaled	1. Move person to clean air. 2. If a person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. 3. Call a poison control center or doctor for further treatment advice.
If on skin or clothing	1. Take off contaminated clothing. 2. Rinse skin immediately with plenty of water for 15-20 minutes. 3. Call a poison control center or doctor for treatment advice.
If in eyes	1. Hold eye open and rinse slowly and gently with water for 15-20 minutes. 2. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. 3. Call a poison control center or doctor for treatment advice.
If swallowed	1. Call poison control center or doctor immediately for treatment advice. 2. Have person sip a glass of water if able to swallow. 3. Do not induce vomiting unless told to do so by the poison center or doctor. 4. Do not give anything by mouth to an unconscious person.
HAVE THE PRODUCT CONTAINER OR LABEL WITH YOU WHEN CALLING A POISON CONTROL CENTER OR DOCTOR, OR GOING FOR TREATMENT	

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL: Store in original container in a locked storage area inaccessible to children or persons unfamiliar with its use. Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Causes skin irritation. Harmful if swallowed. Do not get into eyes, on skin or on clothing. Wear a face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

JACKSONVILLE, FL 32254

16 FL. OZ. (444 ML)

HEAVY DUTY CLEANER - DISINFECTANT DISINFECTS*

CLEANS

DEODORIZES

Lasting fresh smell

Contains no phosphorous

*Effective against specific gram-negative household germs, such as those causing Salmonellosis (Food Poisoning).

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with it's labeling.

TO DISINFECT, CLEAN & DEODORIZE HARD, NON-PORUS SURFACES:

Use a mop or brush to apply a solution of 1/4 cup disinfectant to one gallon of water for moderately soiled surfaces such as floors, pet quarters, and garbage cans, while maintaining a thoroughly wet surface for 10 minutes. Mix fresh solution before each use; no rinsing necessary except on rubber or asphalt tile and on food contact surfaces. Heavily soiled surfaces must be pre-cleaned first and followed by a second application using directions above to disinfect. Use full strength for cutting grease, crayon, old wax or other heavy-duty cleaning jobs; rinse immediately.

LAUNDRY: Use full strength on heavily soiled areas such as collars, cuffs, and grease stains. Rub in well and use 1/2 cup in washer along with regular detergent as a cleaning booster & deodorizer.

DOG BATH: Use 3 tblsp. Per gallon of water.
