BLEND 402

INSECTICIDE

ACTIVE INGREDIENTS 100%

DIRECTIONS

CUSTOM BLEND 402 IS A CONCENTRATED PYRETHRINS INSECTICIDE FOR USE IN SPECIALIZED GENERATORS. AN EFFECTIVE CONCENTRATE DESIGNED FOR THERMAL GENERATING DEVICES WHERE A CONCENTRATED INSECTICIDE IS REQUIRED.

THIS MATERIAL MAY BE USED IN INSTITUTIONS, PUBLIC BUILDINGS, CLUBS, HOSPITALS, HOTELS, RESTAURANTS, DEPARTMENT STORES, MARKETS, STABLES, THEATERS, DAIRIES, AND KENNELS.

KILLS ON CONTACT, THE EXPOSED STAGES OF COCKROACHES, SILVERFISH, SPIDERS, ANTS, CRICKETS, SHIPPERS, MOSQUITOES, GNATS, FLIES, SMALL FLYING MOTHS, TICKS, AND FLEAS.

INDOOR USE:

FOR THE MOST EFFECTIVE RESULTS AGAINST THE ACTIVE STAGES OF FLYING, RUNNING, AND CRAWLING INSECTS; TREAT ALL CRACKS, AROUND BASEBOARDS, BEHIND AND BENEATH CABINETS, REFRIGERATORS, SINKS, AND STOVES. KEEP DOORS AND WINDOWS CLOSED. AIR CONDITIONING UNITS AND FANS SHOULD BE TURNED OFF FOR AT LEAST 10 MINUTES AFTER SPRAYING. DO NOT REMAIN IN TREATED AREA. VENTILATE AFTER COMPLETED TREATMENT.

FLYING INSECTS: FOR THE CONTROL OF FLIES, ADULT MOSQUITOES, GNATS, SHIPPERS, AND SMALL FLYING MOTHS; SPRAY DIRECTLY INTO THE AIR FILLING THE PREMISES WITH MIST. IF POSSIBLE, KEEP ALL OPENINGS CLOSED UNTIL THE MIST OR FOG HAS DISAPPEARED.

CRAWLING INSECTS: COCKROACHES, WATER BUGS, SILVERFISH, SPIDERS, TICKS, ANTS, FLEAS, CRICKETS; DIRECT NOZZLE OF APPLICATOR INTO CRACKS AND CREVICES, CABINET, CHEST, AND CUPBOARD AREAS. FORCE THE COARSE WETTING INSECTICIDE SPRAY INTO THESE HIDING PLACES OF THESE DIFFICULT TO KILL INSECTS.

OUTDOOR USE: (DO NOT APPLY WHEN WIND VELOCITY EXCEEDS 3 MILES PER HOUR.)

THIS FOGGING OPERATION IS FOR TEMPORARY CONTROL OF SMALL POPULATIONS OF PESTS.

OUTDOOR FOGGING WITH THERMAL AEROSOL GENERATING DEVICES IS VERY SIMPLE. NO PARTICULAR TECHNIQUE IS REQUIRED. BASIC SUGGESTIONS ARE LISTED AS FOLLOWS:

FOR ADULT MOSQUITO CONTROL, FLIES, GNATS, SHIPPERS AND SMALL FLYING MOTHS; TREAT SHRUBBERY AND VEGETATION WHERE MOSQUITOES AND INSECTS MAY REST. APPLICATION OF THIS PRODUCT TO ANY BODY OF WATER IS PROHIBITED.

ALTHOUGH CONSIDERABLE OUTDOOR FOGGING IS DONE DURING THE DAY, LATE EVENING OR EARLY MORNING APPLICATIONS ARE MORE EFFECTIVE. THE FOG HUGS THE GROUND AND DRIFTS MORE SLOWLY THROUGH THE GRASS AND FOLIAGE WHEN THE EARTH DROPS TO A TEMPERATURE LESS THAN THAT OF THE OVERLYING AIR AND UPWARD AIR CURRENTS NO LONGER PREVAIL.

USE PREVAILING WIND DIRECTION TO PLAN FOGGING OPERATION. START AT THE FARTHEST POINT (DOWNWIND) AND WORK INTO THE WIND AT THE CROSS ANGLE. THAT IS, IF THE WIND IS FROM THE WEST, MOVE IN NORTH-SOUTH OR SOUTH-NORTH DIRECTION. IF THE WIND BECOMES STRONG ENOUGH TO RAPIDLY DISSIPATE FOG, DISCONTINUE OPERATION UNTIL WIND SUBSIDES.

AVOID WETTING ORNAMENTALS OR OTHER DECORATIVE FOLIAGE. WET OIL DEPOSIT MAY BE DESTRUCTIVE TO THESE PLANTS.

ENVIRONMENTAL CAUTIONS:

THIS PRODUCT IS TOXIC TO FISH. KEEP OUT OF LAKES, STREAMS, OR PONDS. REMOVE PETS, BIRDS, AND COVER FISH AQUARIUMS BEFORE SPRAYING. DO NOT APPLY WHERE RUNOFF IS LIKELY TO OCCUR. DO NOT APPLY WHEN WEATHER CONDITIONS FAVOR DRIFT FROM AREAS TREATED. APPLY THIS PRODUCT ONLY AS SPECIFIED ON THIS LABEL.

FOOD PROCESSING:

FOODS SHOULD BE REMOVED OR COVERED DURING TREATMENT. ALL FOOD PROCESSING SURFACES SHOULD BE COVERED DURING TREATMENT OF THOROUGHLY CLEANED BEFORE USING. WHEN USING THE PRODUCT IN THESE AREAS, APPLY ONLY WHEN FACILITY IS NOT IN OPERATION. DO NOT APPLY MORE THAN 1 GAL. OF OIL FORMULATION PER 50,000 CU. FT. OF INTERIOR SURFACE OF A BUILDING. EXCEEDING THIS CONCENTRATION UNDER CERTAIN CONDITIONS CAN ESTABLISH A HAZARDOUS ATMOSPHERE. REPEAT AS NECESSARY.

HARMFUL IF SWALLOWED. DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME. DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.

CUSTOM

BLEND 402

EPA Reg. No. 9887-13
EPA EST. No. 9887-CA-1

ACTIVE INGREDIENTS 100% BY WEIGHT

PYRETHRINS	0.40
PIPERONYL BUTOXIDE, Technical*	0.80
N-OCTYL BICYCLOHEPTENE DICARBOXIMIDE	1.33
ALIPHATIC PETROLEUM HYDROCARBONS	97.47
Equivalent to .64% (butylcarbityl) (6-propyl-piperonyl) ether and .16% related compounds	

CAUTION

KEEP OUT OF REACH OF CHILDREN.

Harmful if Swallowed.

See rear panel for additional precautions
