Conditions

Revise the label as follows:

1. Add "and before eating, drinking, chewing gum, using tobacco or using the toilet" to the second to last sentence of the Precautionary Statements.

General Comments

2/3

A stamped label with conditions is enclosed for your records. Submit a final printed label before selling or distributing the product bearing the revised labeling. Should you have any questions concerning this letter, you may contact Jaclyn Carl at (703) 347-0213 or by email at carl.jaclyn@epa.gov during the hours of 8:00 am to 4:00 pm EST. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Jacqueline Campbell-McFarlane
Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510P)

Enclosed: Stamped Label

DISHWASHER CLEANER & DISINFECTANT*

**Cleans,
Freshens,
Maintains!**

125°F

Use once a month to maintain your dishwasher and prevent build-up.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Please read instructions carefully before using. Use with empty dishwasher. Do not use with dishwashing detergent.

1. Remove cap. DO NOT REMOVE WAX PLUG.
2. Place bottle upside down inside the silverware basket or in a secure position in the bottom rack.
3. Close dishwasher, run machine on hottest cycle.

Note: Water must be as hot as possible to melt wax plug. For best results, first run tap nearest dishwasher until hot.

For heavy build up, a second application of Dishwasher Magic may be required.

WHY CLEAN/DISINFECT YOUR DISHWASHER?

Over time, your dishwasher can lose its cleaning effectiveness due to build-up of lime, minerals, rust and grease. This build-up can also lead to the presence of harmful bacteria. Dishwasher Magic removes this build-up, disinfects your dishwasher and restores its cleaning performance.

All dishwasher manufacturers recommend regular cleaning to maintain dishwasher performance.

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Do not mix with chlorine bleach or any other product as harmful fumes may result.

FIRST AID: Call a physician or poison control center for treatment advice 1-800-222-1222. Have the product container or label with you when calling.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes and continue rinsing eye.

STORAGE AND DISPOSAL: Store unopened package in a cool, dry place in areas inaccessible to small children.

Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available.

EFFECTIVE DISINFECTANT
Dishwasher Magic is a limited disinfectant against gram-negative bacterial Escherichia coli (ATCC 8739) and Staphylococcus aureus (ATCC 10708) UPC
