Subject: Notification per PRN 98-10 – New Primary Brand Name change
Product Name: Dishwasher Magic
EPA Registration Number: 9902-2
Application Date: 07/29/2016
Decision Number: 520289

Dear Kt:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped “Notification” and will be placed in our records.

The primary brand name, Glisten Dishwasher Magic Machine Cleaner, has been added to the product record.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Please read instructions carefully before using. **Use with empty dishwasher.** Do not use with dishwasher detergent.

-  1. Remove cap. **DO NOT REMOVE WAX PLUG.**
-  2. Place bottle upside down inside the silverware basket or in a secure position in the bottom rack.
-  3. Close dishwasher, run machine on hottest cycle (Do not use eco or quick cycles). Recycle empty bottle after end of cycle.

Note: Water must be as hot as possible to melt wax plug. For best results, run faucet nearest dishwasher until hot before use. For heavy build-up, a second application of Dishwasher Magic may be required. Use monthly or as needed.

EPA Establishment No. 075371-IN-003

PRECAUTIONARY STATEMENTS HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not mix with chlorine bleach or any other product as harmful fumes may result. **FIRST AID:** Call a poison control center (1-800-222-1222) or physician for treatment advice. Have the product container or label with you when calling. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes and continue rinsing eye. **STORAGE AND DISPOSAL:** Store unopened package in a cool, dry place in areas inaccessible to small children. Non-refillable container. Do not reuse or refill this container. Package is recyclable.
