Hockessin, DE 19707

Subject: Label Amendment – To update to a label with optional language &
add two additional alternate brand names
Product Name: Glisten Dishwasher Magic Machine Cleaner
EPA Registration Number: 9902-2
Application Date: November 11, 2019
Decision Number: 560407

Dear Ms. Woodall:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

The following 2 Alternate Brand Names have been added to the product record:

- GLISTEN DISHWASHER MAGIC DISHWASHER CLEANER & DISINFECTANT*
- GLISTEN DISHWASHER MAGIC MACHINE CLEANER & DISINFECTANT*

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false

Page 2 of 2
EPA Reg. No. 9902-2
Decision No. 560407

or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Srinivas Gowda by phone at 703-308-6354, or via email at gowda.srinivas@epa.gov.

Sincerely,

Jacqueline Hardy
Product Manager 34
Regulatory Management Branch II

Net Contents: _____ [Fl. Oz./mL]

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not mix with chlorine bleach or any other product as harmful fumes may result.

DIRECTIONS FOR USE*

***Limited Disinfectant: Kills gram negative bacteria only (E. coli and S. enterica).**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Please read instructions carefully before using.

Use with empty dishwasher.

DO NOT USE with dishwasher detergent.

Glisten Dishwasher Magic Machine Cleaner intensely removes lime, rust, grease and other build-up that affects your dishwasher's cleaning performance over time and can lead to the presence of harmful bacteria.

Glisten Dishwasher Magic Machine Cleaner removes these minerals and build-up, disinfects your dishwasher and restores its cleaning performance. It's Dishwasher Magic®! Use monthly or as needed to keep your machine amazingly clean, fresh and maintained.

All dishwasher manufacturers recommend regular cleaning to maintain dishwasher performance.

1. Remove cap. DO NOT REMOVE WAX PLUG.

2. Place bottle upside down inside the silverware basket or in a secure position in the bottom rack.

3. Close dishwasher. Run machine on hottest cycle (Do not use eco or quick cycles). Recycle empty bottle after end of cycle.

NOTE: Water must be as hot as possible to melt wax plug. For best results, run faucet nearest dishwasher until hot before use.

FOR HEAVY BUILD-UP, a second application of Glisten Dishwasher Magic Machine Cleaner may be required.

Use Monthly or as needed.

STORAGE/DISPOSAL

Store unopened package in a cool, dry place in areas inaccessible to small children. Non-refillable container. Do not reuse or refill this container. Package is recyclable.
