

ROACHES, WATERBUGS, SCORPIONS, SILVERFISH,
SPIDERS AND CRICKETS.

Dilute 1 quart Mameo 545 with 6 gallons
of water (2% solution). Brush or spray
cracks and crevices, baseboards, storage
areas and other hiding places where they
will crawl when they come out of hiding.
Spray as a coarse wet spray or brush with
a paint brush. Application should be re-
peated as often as necessary to maintain
effective control.

ANTS Spray or brush ant trails and areas
around door sills and window frames where
pests may enter. Treat the openings around
water pipes, heat ducts, electrical outlets
and baseboards where ants come into rooms
from wall spaces and partitions. Application
should be repeated as often as necessary to
maintain effective control.

HOUSEFLIES, WASPS, MOSQUITOES.

Indoors - Spray or brush surfaces such as
doors, around windows and surfaces that are
frequented by these pests. Repeat application
as necessary.

Outdoors - Spray or brush on window screens,
window frames, doorsills, and areas of porches
where insects tend to alight or congregate.
Repeat application often. Wasp nests should
be sprayed at night after all insects have
returned.

Hiarcu 545 CHLORDANE CONCENTRATE

Contains 4 lbs. Chlordane Per Gallon

ACTIVE INGREDIENTS:

Technical Chlordane.....	45.0%
Petroleum Distillate.....	50.0%
INERT INGREDIENTS:.....	5.0%
	100.0%

*Contains 27% estachloro-4,7-methano-
tetrahydroindane and 1.8% related
compounds.

CAUTION
Harmful if Swallowed
Keep Out Of Reach Of Children
See Caution Statement Side Panel

EPA Reg No. 9931-X

TERMITES: An effective residual control of termites around shallow foundations. Trench foundations to a depth of 2 feet and apply 1 gallon of solution (1 pint to 2 quarts of Hiarcu 545 in 5 gallons of water - 1/5 to 2/5 solution) per linear foot. For deeper foundations a trench 30 inches deep should be provided. Do not dig below top of footings. For adequate control remove at least half of the soil from trench, loosen the remaining soil thoroughly and apply one-half the diluted solution to this loosened soil. Apply the remainder of the solution to the soil that was removed as it is replaced in the trench.

CAUTION

Harmful if swallowed. Contact with skin causes toxic symptoms. Avoid breathing dusts or spray mists. In case of contact with skin, wash with soap and water. Avoid contamination of food and foodstuffs. Do not pour, store or use near flame. Do not smoke while spraying.
KEEP OUT OF REACH OF CHILDREN.
