Reg. No. 1074-26

KILL Roaches and Waterbugs:

In all cracks and crevices, around pipes, behind pipes, and in areas where roaches and waterbugs infest, contacting as many insects as possible. Repeat the application as often as necessary.

KILL Clothes Moths, Carpet Beetles:

Apply at 1/4 oz. per square foot of carpet or upholstered furniture. Repeat treatment every 10 days until no signs of infestation are observed. Avoid treated areas by not walking on them.
