

# BOLARIS

## INSTRUCTIONS

- Remove or expel over trap residual bowl water prior to applying the undiluted solution.
- Add Bolaris to swab, apply to entire inside surface of bowl.
- Bowl can now be flushed so rust, lime, etc. will disappear.
- Use full strength on vitreous china only. (Not intended for porcelain.)
- Apply a terminal water rinse to bowl and all treated surfaces.
- Cleans drains long after using due to sudsing adhesive action.
- Will not injure septic tank bacteria.
- Rinse empty container thoroughly with water and discard it.

CONTAINS HYDROCHLORIC ACID

### FIRST AID

Internal - Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap, softened with water in milk or raw egg white.

External - Eyes - Wash with water for 15 minutes. Get prompt medical attention. Skin - wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.
