

**RESTRICTED USE
PESTICIDE**

**PETERSENS Gopher-Rodent Killer II
FOR RODENT CONTROL ONLY**

DANGER
KEEP OUT OF REACH
OF CHILDREN
Convulsive - Poison
POISONOUS IF SWALLOWED
KEEP AWAY FROM CHILDREN
AND DOMESTIC ANIMALS
DO NOT CONTAMINATE FEED
AND FOODSTUFFS

ANTIDOTE

Call a Doctor IMMEDIATELY. If less than 10 minutes has passed since Poison was taken by victim, give 1 tablespoon of salt in warm water. Have victim lie down in a quiet, darkened room and keep him warm.

ENVIRONMENTAL HAZARD

This product is toxic to fish, birds, and other wildlife. Do not allow to be exposed to sunlight. Do not use in water. Do not apply when rain is expected. Do not contaminate water or vicinity of equipment. Dispose of empty treated seed in waste bin. Apply this product only as specified on this label.

INSTRUCTIONS

PLANTS: Peas, corn, soybeans, beans, and Northern Pigeon Gopher. (Tomatoes to be avoided.)

Hand Application: Place 1/2 cup of product several inches away from mouse, position of eye, ear, nose, mouth, and feet. Do not feed to the animal. Do not touch animal's face. Do not touch animal's body. Do not touch animal's eyes. Do not touch animal's mouth. Do not touch animal's nose. Do not touch animal's feet. Do not touch animal's tail. Do not touch animal's ears. Do not touch animal's whiskers. Do not touch animal's fur. Do not touch animal's skin. Do not touch animal's hair. Do not touch animal's bones. Do not touch animal's muscles. Do not touch animal's nerves. Do not touch animal's blood. Do not touch animal's lymph. Do not touch animal's organs. Do not touch animal's tissues. Do not touch animal's cells. Do not touch animal's molecules. Do not touch animal's atoms. Do not touch animal's electrons. Do not touch animal's protons. Do not touch animal's neutrons. Do not touch animal's quarks. Do not touch animal's leptons. Do not touch animal's bosons. Do not touch animal's fermions. Do not touch animal's hadrons. Do not touch animal's leptons. Do not touch animal's baryons. Do not touch animal's mesons. Do not touch animal's photons. Do not touch animal's gluons. Do not touch animal's gravitons. Do not touch animal's neutrinos. Do not touch animal's antineutrinos. Do not touch animal's positrons. Do not touch animal's antiprotons. Do not touch animal's antineutrons. Do not touch animal's antiquarks. Do not touch animal's antileptons. Do not touch animal's antibosons. Do not touch animal's antifermions. Do not touch animal's antihadrons. Do not touch animal's antileptons. Do not touch animal's antibaryons. Do not touch animal's antimessons. Do not touch animal's antiphotons. Do not touch animal's antigluons. Do not touch animal's antigravitons. Do not touch animal's antineutrinos. Do not touch animal's antineutrinos.

Machine Application: (bottom portion) Make artificial burrows same depth as natural burrows. Use 1/2 cup of product per acre. Apply machine 1 foot from the ground with wheels bare. Packing soil 1/2 inch deep. Drive through damp and the machine should. Proper artificial burrows do not have irregular wheel tracks. Do not touch animal's face. Do not touch animal's body. Do not touch animal's eyes. Do not touch animal's mouth. Do not touch animal's nose. Do not touch animal's feet. Do not touch animal's tail. Do not touch animal's ears. Do not touch animal's whiskers. Do not touch animal's fur. Do not touch animal's skin. Do not touch animal's hair. Do not touch animal's bones. Do not touch animal's muscles. Do not touch animal's nerves. Do not touch animal's blood. Do not touch animal's lymph. Do not touch animal's organs. Do not touch animal's tissues. Do not touch animal's cells. Do not touch animal's molecules. Do not touch animal's atoms. Do not touch animal's electrons. Do not touch animal's protons. Do not touch animal's neutrons. Do not touch animal's quarks. Do not touch animal's leptons. Do not touch animal's bosons. Do not touch animal's fermions. Do not touch animal's hadrons. Do not touch animal's leptons. Do not touch animal's baryons. Do not touch animal's mesons. Do not touch animal's photons. Do not touch animal's gluons. Do not touch animal's gravitons. Do not touch animal's neutrinos. Do not touch animal's antineutrinos. Do not touch animal's positrons. Do not touch animal's antiprotons. Do not touch animal's antineutrons. Do not touch animal's antiquarks. Do not touch animal's antileptons. Do not touch animal's antibosons. Do not touch animal's antifermions. Do not touch animal's antihadrons. Do not touch animal's antileptons. Do not touch animal's antibaryons. Do not touch animal's antimessons. Do not touch animal's antiphotons. Do not touch animal's antigluons. Do not touch animal's antigravitons. Do not touch animal's antineutrinos. Do not touch animal's antineutrinos.

NOTICE

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

Active Ingredient: Stychnine	1.00
Inert Ingredients:	99.00
TOTAL	100.00
