

MAR 22 1994

Jersey Chemicals, Inc  
775 River Street  
Paterson, NJ 07524

Attention: Alan Taub  
President

Subject: Product Name: J.C. Algaecide  
EPA Registration No. 10079-1  
Your Amendment Dated October 20, 1993

The amendment (label update and revised CSF) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you:

1. Make the following labeling changes below before you release the product for shipment bearing the amended labeling.

- a. Revise the word: "contents" to read: Net Contents.
- b. An incorrect EPA EST NO is declared on the label. It is not 10079-1 NJ-1. It is probably 10079-NJ-1. Check with the regional EPA office for confirmation.
- c. For consistency, revise the total percentage to read: 90.00%.
- d. Add the letter "s" to the statement: Inert Ingredient
- e. Place the signal word: DANGER, to appear directly below the statement: KEEP OUT OF REACH OF CHILDREN. (center panel only.)
- f. Revise the referral statement to read: See side panel for additional precautionary statements.
- g. Add the following to the precautionary section:

Wash thoroughly with soap and water after handling.

~~h. Revise the word: Hazardous to read: Hazards~~

i. Revise the Environmental Hazards statement to read:

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

j. Revise the heading: Directions, to read:

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

k. Include the following additional headings:

**STORAGE AND DISPOSAL**  
 Container Disposal  
 Pesticide Disposal

1. Refer to PR Notice 83-3 for the appropriate statements for the Storage and Disposal section.

m. Delete the statement: "... is a concentrate and should be diluted before using...". NOTE: Your use directions contradicts this statement.

2. A release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

3. A stamped copy of the labeling is enclosed for your records.

4. The submitted Confidential Statement of Formula (dated October 20, 1993) is acceptable. Note also that this confidential will supersede all previous confidentials.

However note for future reference that the upper certified limit (Block 14a) should be around 10.5% and the lower certified limit (Block 14b) should be around 9.5% for this product.
