CHECKMATE

INSECT REPELLENT

NOT AN INSECTICIDE
THIS PRODUCT IS AN INSECT REPELLENT
Contains DEET for longer protection, resistant to perspiration, water and wear. Not greasy. Repels mosquitoes, biting flies, gnats, chiggers, ticks and fleas.
Active ingredient: N, N-diethyltoluamide 15%
meta isomer 14.25%
ortho isomers 0.75%
Inert ingredients 85%

CAUTION

CONTENTS UNDER PRESSURE
Do not puncture or incinerate can. Do not expose to heat or store at temperatures above 120° F. Do not take internally. See other precautions on back panel.

KEEP OUT OF REACH OF CHILDREN
NET CONTENTS 16 OZ.

DIRECTIONS FOR USE

Remove cap. Aim arrow on valve toward surface to be sprayed. Hold can 6 to 8 inches from surface and press valve. Apply to all exposed areas of the skin except face. To apply to face spray a small quantity on hands and spread on face. Keep out of eyes and mouth. Repeat as necessary. Also apply to stockings and all other thin clothing. For chiggers, ticks and fleas, use as above. Also apply to socks, pant cuffs and other openings in outer clothing. Safe to use on nylon, orlon, cotton and wool.

CAUTION

Harmful if swallowed. Avoid contact with eyes and lips. Keep out of reach of children. Do not use on acetate, rayon and Dynel. May damage some plastics, furniture or painted surfaces. Contents of can are under pressure. Do not puncture or throw into fire. Do not place on stove or store above 120° F.

HIGHLY RECOMMENDED for county highway department road crews, city street departments, park departments and country club maintenance crews.

SPECIAL USES: Mist on and around lawn chairs, screens, picnic tables, boats and other areas where repellency is desired.
