Sold By:

# SPECIMEN LABEL

Followed by a potable water rinse

Food Areas of Food Handling Establishments: when applying a space treatment in food handling areas, the food handling operation should be shut down. Foods should be removed or covered during treatment. In food processing areas, all utensils, shelving, etc. where food will be handled should be covered or removed before treatment, or thoroughly washed with an effective cleaning compound prior to use. Careful crack and crevice application for inspection purposes is permissible at all times except in USDA federally inspected meat and poultry plants.

*10088-20 PM 10*

*Do not give anything by mouth to an unconscious person. Avoid alcohol.*

### PRECAUTIONARY STATEMENTS:

#### HAZARDS TO HUMANS & DOMESTIC ANIMALS

## CAUTION:

Harmful if swallowed! Do not inhale vapors or spray mist. May cause skin irritation. Avoid contact with skin, eyes or clothing. Remove pets and cover fish bowls before spraying. Do not apply directly to food. Do not apply while food processing is underway. Facilities and equipment in federally inspected meat and poultry plants must be washed with an effective cleaning compound followed by a potable water rinse after spraying.

### STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Do NOT induce vomiting because of aspiration hazard. Call a physician or poison control center immediately. Contains petroleum distillate. Aspiration is a potential hazard.

IF IN EYES: Flush eye and under eyelids with water for at least 15 minutes. If irritation persists, obtain medical attention.

IF ON SKIN: Remove contaminated clothing and launder before re-use. Wash skin with soap and plenty of water. If irritation persists, obtain medical attention.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

### PHYSICAL AND CHEMICAL HAZARDS

Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not use, pour, spill or store near heat or open flame.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label.

This spray is especially designed for use in cafes, restaurants, food storage warehouses, flour mills, meat packing plants, and the like. This spray is designed for use in either fogging equipment or hand sprayers.
