

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 10088-37	DATE OF ISSUANCE MAY 19 1986
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Turf Fungicide	

NOTICE OF PESTICIDE: ☐ REGISTRATION
☒ REREGISTRATION
(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Athea Labs, Inc.
630 East Keefe Avenue
Milwaukee, WI 53212

$$\begin{array}{r} 656 \quad 167668 \\ \hline 17 \quad 2 \end{array}$$

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Registration Standard Guidance Package, EPA has reregistered the product listed above. This registration is granted under the authority of FIFRA section 3(g), as amended.

The labeling referred to above, submitted in connection with registration under FIFRA, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted.

1. Change the first precautionary statement to "Harmful if swallowed, inhaled, or absorbed through skin."
2. The protective clothing statement should immediately follow "Avoid contact with eyes, skin, or clothing."
3. The section "Do not graze . . . staff off treated area for 24 hours." should be moved to the Directions for Use section. Add the following to this section.

Do not use on seed crops intended to be used for feed or forage.

☐ ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL 	DATE 5/19/86
---	------------------------

4. Delete "Remove contaminated clothing and launder before reuse" from the practical treatment section.
5. Add statements of practical treatment for eyes and ingestion.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or inhaled. Avoid contact with eyes, skin, and clothing. TURF FUNGICIDE may cause a temporary allergic skin reaction in a few susceptible persons. This condition should be treated as an allergic dermatitis. There is no evidence of after effects or permanent injury. If sensitivity occurs, protective clothing should be worn during periods of exposure, such as during application or when contacting treated foliage. Avoid breathing of dust or spray mist. Wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse. Do not graze treated areas. Do not feed clippings to livestock. Do not allow children or pets to play on lawn for 24 hours after treatment. Stay off treated area for 24 hours. Protective clothing should be worn during periods of exposure, such as during application.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water or wetlands. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Cover or incorporate spills.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

TURF FUNGICIDE

DYRENE®

**25% WETTABLE POWDER
FOR CONTROL OF TURF DISEASES**

ACTIVE INGREDIENT:

2,4-dichloro-6-
(o-chloroanilino)-s-triazine 25%

INERT INGREDIENTS: 75%
100%

STATEMENT OF PRACTICAL TREATMENT

If on skin: Remove contaminated clothing and launder before re-use. Wash immediately with soap and warm water. If irritation occurs, obtain medical attention.

EPA Reg. No. 10088-37

EPA Est. No. 10088-WI-1

NET WEIGHT: 25 pounds

SOLD BY: Athea Laboratories

Milwaukee, WI 53223

TURF FUNGICIDE effectively prevents destructive diseases. Complete area is necessary for satisfactory program begin applications before treatments as needed, usually except during extended periods when applications every 7 days program should be continued for several months.

For control of snow mold, apply specified rate after the first killing application should be made while in mid-winter, and this should be done after the final melting of spring.

Schedule applications in accordance with State Agricultural Extension Service for specific use instructions which may contain requirements.
