**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. May cause skin irritation. Do not get in eyes, on skin or clothing. Wash thoroughly after handling. Avoid inhalation of spray mist.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply to areas where roots of desirable plants will come into contact, as injury may result. Avoid contamination of water used for domestic or irrigation purposes. Do not store near foodstuffs.

**PHYSICAL AND CHEMICAL HAZARDS**

Contains petroleum distillate. Do not store or use near heat or open flame.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Keep container tightly closed when not in use. If container is damaged or leaking, contain spill. Soak up spilled material with sand or other inert absorbent, and place in a closed, labeled container for proper disposal.

**CONTAINER DISPOSAL:** Triple rinse empty container (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions contact your state pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

**NON-SELECTIVE  
HERBICIDE #3**

**ACTIVE INGREDIENTS:**

Prometon: 2,4-bis(isopropylamino)-  
6-methoxy-s-triazine ..... 3.73%  
INERT INGREDIENTS ..... 96.27%  
TOTAL ..... 100.00%

EPA Reg. No. 10088-55

EPA Est. No. 10088-WI-1.

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician or poison control center immediately. Do not induce vomiting.

**IF ON SKIN:** Remove contaminated clothing and launder before re-use. Wash skin with soap and water.

**IF IN EYES:** Flush eyes and under eyelids with water for at least 15 minutes, and obtain medical attention.

See side panel for additional precautionary statements.

**ACCEPTED**

NOV 19 1989

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under  
EPA Reg. No. 10088-55

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its label.

This product is designed for non-selective weed control on non-cropland areas such as parking lots, fence rows, railroad sidings, drainage ditch banks, storage yards, around buildings or industrial sites.

Mix 1 gallon of this herbicide with 10 gallons of water, and apply uniformly over 1,000 square feet of soil surface. Thoroughly wet all foliage to insure contact action. Best results are obtained when the applications are made during or after weed emergence while growth is succulent. Where vegetation is tall and dense, use 1 1/2 gallons of this product with ten gallons of water per 1,000 square feet.

For control of hard-to-kill perennial weeds and grasses such as johnsongrass, bindweed and wild carrot, use 3 to 4 1/2 gallons of this herbicide mixed with 10 gallons of water per 1,000 square feet. Although this product has considerable activity through foliar contact, much of its activity is through the roots and, therefore, adequate rainfall is necessary to move the herbicide into the root zone.

Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed-free soil surface.

Care must be taken to keep this herbicide away from desirable flower beds, lawns and shrubs. Do not apply over roots of valuable trees, shrubs or woody ornamental plants. Only apply this herbicide outside the dripline of trees. Avoid spray drift to desirable plants.
