

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. Do not breathe vapor or spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after using and before eating or smoking. Do not allow children or pets in treated areas until sprays have dried.

**STATEMENT OF PRACTICAL TREATMENT:**

**IF SWALLOWED:** Call a physician or poison control center immediately. Do not induce vomiting. Contains petroleum distillate. Aspiration is a potential hazard.

**IF IN EYES:** Flush eyes and under eyelids with water for at least 15 minutes. Obtain medical attention.

**IF ON SKIN:** Remove contaminated clothing and launder before re-use. Wash skin with soap and water. If irritation persists, obtain medical attention.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to fish, birds and other wildlife. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

**PHYSICAL AND CHEMICAL HAZARDS**

Contains petroleum distillate. Do not store or use near heat or open flame.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Keep container tightly closed when not in use. If container is damaged or product has leaked, contain spillage. Soak up spilled material with sand or other inert absorbent, and place in closed, labeled container for proper disposal.

**PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse empty container, then offer for reconditioning, or puncture and dispose of in a sanitary landfill, by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

ATHEA LABORATORIES

P.O. Box 23926

Milwaukee, WI 53223

**FOR USE IN NON-FOOD PROCESSING AREAS OF  
RESTAURANTS, FOOD PROCESSING FACILITIES  
AND FOOD STORAGE WAREHOUSES  
ALSO FOR HOTELS, MOTELS, INSTITUTIONS  
HOMES AND HORSE STABLES**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its label.

**SPACE SPRAY TO KILL FLIES, MOSQUITOS AND GNATS:** Close room or area to be treated. Shut off heat, air-conditioner or ventilation system. Seal all open vents. Remove fish and pets. Apply this product undiluted as a very fine mist space spray through manually operated equipment or with powered fogger. Avoid staining by holding the spray nozzle at least five feet from objects. Direct the spray mist toward the upper corners of room, at the rate of 5 fluid ounces per 5,000 cubic feet. Leave room closed for at least one half hour. Sweep up and destroy fallen insects. Ventilate thoroughly before re-entry.

**CONTACT SPRAY TO CONTROL COCKROACHES, ANTS, EARWIGS, GRAIN MITES, SOWBUGS, SPIDERS, CENTIPEDES:** Adjust sprayer to produce a coarse wet spray. Direct spray into cracks and crevices in floors, baseboards, around pipes, behind cabinets, and similar places where insects hide until thoroughly wet. Repeat as necessary.

**NON FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS:** Do not use in food areas of food handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas where prepared food is served such as dining rooms but excluding areas where food may be prepared or held. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

**NON FOOD AREAS:** Includes garbage rooms, lavatories, floor drains (to sewer), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, mop closets and storage (after canning or bottling).

**NON FOOD AREAS - SPOT TREATMENT:** As a spot treatment, apply as a coarse low pressure fan spray to floor surface areas around water pipes, beneath cabinets, refrigerators, sinks, stoves, storage areas and similar areas where cockroaches, ants, spiders and silverfish hide.
