U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

10088-97

MAR 16 1999

Term of Issuance: Conditional

NOTICE OF PESTICIDE:

- Registration
- Reregistration

Name of Pesticide Product:

Insect Repellent Towel

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Athea Laboratories, Inc.
P.O. Box 23926
Milwaukee, WI 53223

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

I. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

II. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 10088-97".

Signature of Approving Official:

Date:

MAR 16 1999

III. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion J. Johnson, Jr.
Product Manager (10)
Insecticide Branch
Registration Division (7505C)

INSECT REPELLENT TOWEL

DIRECTIONS FOR USE:

Read all directions before using this product.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply over cuts, wounds or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not apply directly on face. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent re-application and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to the doctor, take this repellent with you.

Tear open envelope, remove towel; open, and wipe or rub liberally on all exposed skin areas avoiding eyes and mouth. Repeat when insects become annoying. For ticks and chiggers, also apply liberally to shoe tops, socks and around openings of clothing. Repeat using a fresh towel when necessary.

Avoid contact with plastics, such as eyeglass frames, and such fabrics as acetate rayon.
