

FOR USE:

SUPER D'SECT

NET CONTENTS 12 OUNCES

Sold to Graduate Veterinarians Only

USDA Registration No.

Remove cap from container
 and hold 2-4 inches
 from animal. Point
 nozzle of spray gun and pump
 up the gun until
 you feel a slight even
 resistance of SUPER D'SECT.
 Then pull first stroke to
 get a fine spray mist.
 Hold nozzle about 1 foot of animal
 and spray. It may be advan-
 tageous to spray especially on long
 hair. Do not rub the
 spray into the lay of
 the hair. Allow the
 spray to dry directly be-
 fore the animal. Repeat
 as necessary,
 until the spray wets ticks.
 Repeat once a week if
 necessary.

Remove cap from interior of
 container and animal
 and spray. Also spray
 the interior and replace with
 fresh bedding if necessary.
 If the animal is present,
 spray quickly into the air.
