OCT - 3 1989

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended.

TERM OF ISSUANCE

Confidential

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of CIBA-GEIGY or the Seller. All such risks shall be assumed by the Buyer.

CIBA-GEIGY warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. CIBA-GEIGY makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall CIBA-GEIGY or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. CIBA-GEIGY and the Seller offer this product, and the Buyer and user accept, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CIBA-GEIGY.

GENERAL INFORMATION

For total weed control on certain areas around the home, the business, or workplace where no plant growth is desired, use as specified in label directions.

Controls bindweed, common mullein, and other hard-to-kill weeds.

Prevents plant growth for up to one year.

Pramitol 1.5% Liquid Vegetation Killer is a nonselective product intended for use without further dilution. For best results, apply to bare ground or when weed growth is just starting. Weeds taller than 4-6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds. Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and curbs, around buildings, and under graveled pathways where plant growth has come through these surfaces.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For control of annual and susceptible perennial weeds such as downy bromegrass, oatgrass, goosegrass, quackgrass, puncturevine, goldenrod, and plantain. To cover 100 sq. ft., apply 1 3/4 - 2 1/2 pts. undiluted product by use of a spraying can or other watering or spraying device. For control of hard-to-kill perennial broadleaf and grass weeds such as bindweed and johnsongrass as well as the biennials common mullein and wild carrot, use 6 3/4 - 9 1/4 pts. product per 100 sq. ft.

PRECAUTIONS: (1) Apply when air is calm to avoid the possibility of drift onto desirable plants or grass. (2) Keep away from the roots of desirable plants and trees. (3) Use only in areas where complete control of all vegetation is desired. (4) ~~PRAMITOL 1.5% LIQUID VEGETATION KILLER SHOULD NOT BE USED ON CULTIVATED AREAS, ON GROUND THAT IS TO BE CULTIVATED, IN GREENHOUSES, OR NEAR THE DRAIN LINE OF TREES OR SHRUBS.~~ (5) Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). (6) Avoid using where adjacent desirable trees, shrubs, or plants may be injured from leaching of the chemical through the soil. (7) Keep children and animals off treated areas until these areas are dry.

Storage and Disposal

Do not reuse empty container. Wrap container and put in trash collection.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Caution: Moderate eye irritation. Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Statements of Practical Treatment

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If swallowed: Call a physician or Poison Control Center. Give water if conscious. May present aspiration hazard. DO NOT induce vomiting.

If on skin: Wash with plenty of soap and water. Get medical advice.

If inhaled: Remove victim to fresh air.

Notes to Physician

If swallowed, lavage stomach, taking care to avoid aspiration of stomach contents into the lungs.

Environmental Hazards

Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Do not contaminate water used for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment waste water. Apply this product only as specified on this label.

Physical or Chemical Hazards

Do not use, pour, spill, or store near heat or open flame.
