

VIRO-CERF

POWERFUL HOSPITAL DISINFECTANT

LONG LASTING DEODORIZER

FOR USE ON ALL FURNISHINGS such as toilet seats, telephones, wash basins, urinals, hospital light switches, refuse cans, laundry, office machinery, dressing carts, hampers and clean up cart.

Will eliminate unpleasant odors of decay, smoke, onion, garlic, stale air, sick rooms, perspiration, food putrefaction, rust, fish, etc.

HOW TO USE

FOR DEODORIZING: Dispense with a Cerfrister or comparable high efficiency atomizing sprayer. Hold sprayer upright, point away from face, spray until surfaces are wet. Use as received. Do not dilute.

FOR DISINFECTING: Hold dispenser upright about 6 to 8 inches from surface to be disinfected and spray concentrated VIRO-CERF until surface is wet. Room surfaces can be disinfected by thoroughly spraying all exposed surfaces.

VIRO-CERF will control the following organisms:

- | | |
|--------------------------|----------------------------|
| Salmonella typhosa | Streptococcus pyogenes |
| Shigella paradysenteriae | Mycobacterium smegmatis |
| Salmonella schottmulleri | Trichophyton interdigitale |
| Escherichia coli | Penicillium glaucum |
| Staphylococcus aureus | |
