

CAUTION

FLAMMABLE MIXTURE: Keep away from open flame. Before treating any fabric, test the effect by treating a small inconspicuous area, allowing to dry, then inspecting the result. **USE CLEAN, RUST-FREE SPRAYER.** Harmful if swallowed. Keep out of the reach of children. Avoid contact with skin. Avoid breathing spray mist. Wash with soap and water after using. Avoid contamination of feed and foodstuffs. Remove birds, pets and fish bowls from rooms being sprayed. Harmful if swallowed. Do not allow children in treated areas until surfaces are dry.

ROSE
EXTERMINATOR CO.
Since 1860
WISE PROTECTION

FORMULA
55M

MOTH SPRAY

Effective against Clothes Moths and Carpet Beetles — their eggs and larvae

CAUTION

See side panel for additional cautions

ACTIVE INGREDIENTS 100%

- Diethyl diphenyl dichloroethane— 4.75%; Related reaction products— 0.25%; Aliphatic Petroleum Solvent—95.00%

CONTENTS
ONE QUART

USDA REGISTRATION No. 10130-2
Manufactured by:
Rose Exterminator Co.
1130 Livernois • Troy, Michigan 48064

DIRECTIONS

Clean and brush woolen articles. Hold sprayer about 18 inches from fabric, spray completely until thoroughly moistened. Treat cracks and crevices of drawers and closets. Allow sprayed articles to dry completely before using. Respray after cleaning. Spray rugs thoroughly, front and back. Allow to dry in ventilated room before storing or re-using.

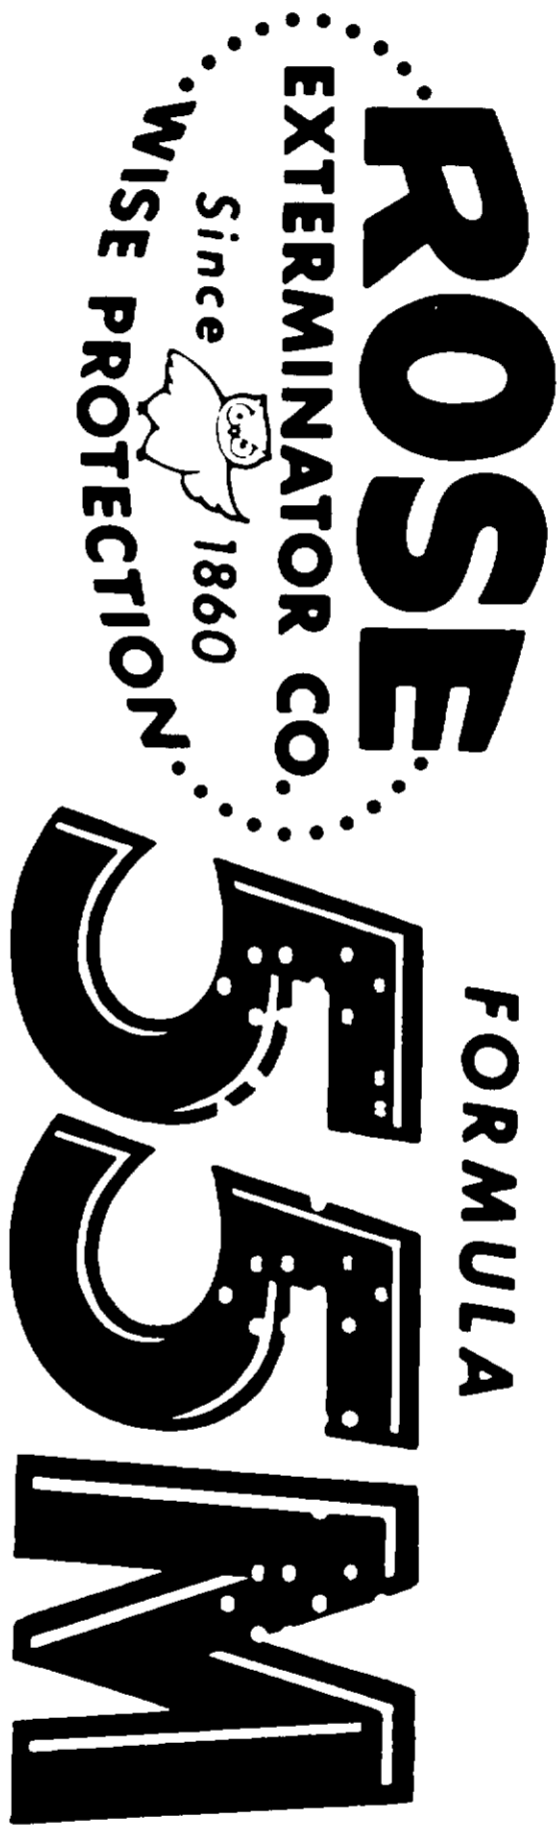

Excessive use may affect Asphalt or Rubber Tile.

ROSE MOTHSpray is compounded from field tested materials used by Rose Exterminator Co. established 1860. When used as directed on clean fabrics, it is effective against all stages of Clothes Moth and Carpet Beetle infestations. In cases of unusually severe or deep seated Carpet Beetle infestations, professional service may be advisable.
