

ZEOLITE ALGAEICIDE NP-25L

ACCEPTED

MAY 27 1968

UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND MITICIDE ACT
FOR ECONOMIC PEST CONTROL
REGISTERED UNDER NO. 10133-1 SUBJECT
TO ATTACHED COMMENTS

ACTIVE INGREDIENTS:

n-Alkyl (5%, C₁₄, 30% C₁₃, 5% C₁₂, 5% C₁₈)
dimethyl benzyl ammonium chlorides ----- 5.0%
n-Alkyl (50% C₁₂, 30% C₁₄, 17% C₁₆, 3% C₁₈)
dimethyl ethyl benzyl ammonium chlorides ----- 5.0%
INERT INGREDIENTS: ----- 90.0%

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Zeolite Algaecide NP-25L is highly concentrated and while non-irritating at use dilutions, should be flushed from skin and eyes with water if splashed on them. Consult physician should irritation persist.

When ZEOLITE ALGAEICIDE NP-25L is used as directed, it will aid in controlling and/or preventing the development of unsanitary slime conditions which are unsightly, produce foul odors and which are often the cause of equipment breakdown. ZEOLITE ALGAEICIDE NP-25L is non-toxic in recommended use concentrations. It is compatible with virtually all corrosion inhibition additives but should not be used in the presence of soap or other anionic detergents.

ZEOLITE ALGAEICIDE NP-25L is not a foodstuff and should not come in contact with food.

DIRECTIONS FOR USE: Initial Dose: 1 - 2 gallons of ZEOLITE ALGAEICIDE NP-25L to 5,000 gallons of water.
Maintenance Dose: 1 - 3 quarts of ZEOLITE ALGAEICIDE NP-25L to 5,000 gallons of water every 7 days or sooner should visible growth appear.

For best results, rid system of organic debris if possible. If soap or anionic detergent is used, rinse thoroughly before charging with ZEOLITE ALGAEICIDE NP-25L.

Do not be alarmed with the sudden appearance of a considerable amount of organic debris in the system during the first week of operation. This is normal and is a good indication that ZEOLITE ALGAEICIDE NP-25L has effectively penetrated and dislodged dead organic material which tenaciously adheres to metal and wooden surfaces as living matter.

Make up water should be treated as maintenance dose levels.
