Corrosive

DANGER

WARNING: Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID STATEMENT: In case of contact. Immediately flush eyes or skin with plenty of water for at least 15 minutes. Call a physician. Remove contaminated clothing before re-use.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

ENVIRONMENTAL HAZARDS: "This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA."

PHYSICAL/CHEMICAL HAZARDS: Do not use or store near heat or open flame. Use with adequate ventilation.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Dissolve Vita-San 10 into retanning or fat-liquoring oils prior to application. Use 1-2% Vita-San 10 based on wet weight of leather. Apply fatliquor as per normal formulation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

1 Gallon weights 7.9 pounds

**Prevents Mold and Mildew
On Leather**

ACTIVE INGREDIENT:	
ORTHOPHENYLPHENOL	10.95%
INERT INGREDIENTS:	89.05%
TOTAL	100.00%

For Industrial Use Only

DANGER
Keep Out of Reach of Children

EFA Reg. No. 10145-3

EPA Est. No. 10145-MA-1
