Newburyport, MA 01950

Dear Mr. Moberg

Subject: Revised Labeling - Delete "Unfinished"
Vita-San 10
EPA Registration Number 10145-3 ✓
Your Submission Dated January 23, 1994

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. You should delete the duplicate heading PRECAUTIONARY STATEMENT just above "Due to irritating nature,..."
 - b. Delete the quotation marks (") before **This product** and after **EPA**.
2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Cynthia Giles-Parker
Product Manager (22)
Fungicide Herbicide Branch
Registration Division (7505C)

Hazards to Humans and Domestic Animals

WARNING

PRECAUTIONARY STATEMENT

Due to irritating nature, may be harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Harmful if inhaled. Avoid breathing vapor or spray mist. Causes substantial but temporary eye injury. Wear goggles or face shield. Causes skin irritation. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before re-use.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF INHALED: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.

IF IN EYES: Flush with water for 15 minutes. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS: "This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit, and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA."

PHYSICAL/CHEMICAL HAZARDS: Do not use or store near heat or open flame. Use with adequate ventilation.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Dissolve Vita-San 10 into retanning or fat-liquoring oils prior to application. Use 1.6-2% Vita-San 10 based on wet weight of leather. Apply full liquor as per normal formulation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning; or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
