

Precautionary Statement
 Hazard to Humans and Domestic Animals
"DANGER"

Corrosive. Causes irreversible eye damage. Harmful if swallowed. Do not get in eyes, on skin or clothing. Wear goggles, or face shields, (safety glasses) and rubber gloves when handling. May cause skin irritation. Avoid breathing spray mist. Remove contaminated clothing and wash before reuse. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Wash thoroughly with soap and water after handling.

"FIRST AID"

IF SWALLOWED: Immediately call a poison control center or doctor for treatment advice. Do not induce vomiting unless told by a poison control center or doctor. Do not give liquid to the person. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly & gently with water for 15-20 minutes. Remove Contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or a doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 for ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash before reuse. Rinse Skin immediately with plenty of soap and water for 15-20 min. See a doctor if irritation develops.

PHYSICAL/CHEMICAL HAZARDS: Combustible, do not use or store near heat or open flame. Use with adequate ventilation.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollution Elimination System (NPDES) permit, and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

EMERGENCY PHONE CHEMTREC 800-424-9300

In case of emergency call toll free. Have product label with you when calling poison control or doctor or going for treatment

"NOTE TO PHYSICIAN"

Product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Probable mucosal damage may contraindicate the use of gastric lavage

"DIRECTIONS FOR USE"

It is a violation of Federal Law to use this product in a manner inconsistent with labeling. Apply to crusted or finished leathers by swabbing, spray or roller machine. Apply Approximately 800 sq. ft. per gallon. Drying in warm drying tunnel aids drying time.

"STORAGE AND DISPOSAL"

Pesticide Storage: Store at room temperature away from heat or open flame. Keep container tightly closed when not in use. Do not store near or contaminate feed, food or drinking materials.

Pesticide Disposal: Waste resulting from the use of this product may be disposed on site or at an approved waste facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

ACCEPTED
 FEB 4 2004
 Under the Federal Insecticide, Fungicide, and
 Rodenticide Act, this product is registered for the
 following use:
 10145-4

**Prevents Mold and Mildew
 On Leather**

ACTIVE INGREDIENT:
 ORTHOPHENYLPHENOL..... 3.92%
OTHER INGREDIENTS.....96.08%
 Total...100.00%

This Product Contains Petroleum Distillates.

For Industrial Use Only.

DANGER
 Keep Out of Reach of Children
