

Authorized by USDA for use in Federally
inspected meat and poultry plants.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS**

DANGER—CORROSIVE

Causes irreversible eye damage. Harmful or fatal if
swallowed. Do not get in eyes or on clothing. Use
rubber gloves and goggles, face shield or safety
glasses. Wear protective clothing. Causes burns. Do
not get on skin or clothing. Wash thoroughly with
soap and water after handling. Remove
contaminated clothing and wash before reuse. Avoid
inhalation of fumes.

STATEMENT OF PRACTICAL TREATMENT

If on skin, wash with plenty of soap and water. Get
medical attention. If in eyes, flush with water for at
least 15 minutes. Get medical attention. If
swallowed, drink large quantities of water.
Do NOT give vinegar, other acids or soap. Avoid
alcohol. Do NOT induce vomiting. Get prompt
medical attention.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the
use of gastric lavage. Measures against circulatory
shock, respiratory depression and convulsions may
be needed.

EXTRA HEAVY DUTY GENERAL PURPOSE CLEANER

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Before using this product, food products and packaging materials must be removed from the room or carefully protected.

FOR CLEANING SMOKEHOUSES WITH FOAM use 4 to 8 pounds per 50 gallons of water, add 1 to 2 quarts of LIQUIK 2 NUBLU per 50 gallons. Fill drum 1/4 full of cold water before adding the LIQUIK 2 NUBLU. Dissolve, then fill drum with hot water and when nearly full add the LIQUIK 2 NUBLU. Apply after roughing down and allow to work 10 minutes. After cleaning, rinse with potable water.

FOR CLEANING MOLDS AND PANS BY CIRCULATION use 4 to 8 pounds per gallon (12 to 18 pounds per 50 gallons of water). Fill tank 1/4 full of cold water before adding LIQUIK 2 NUBLU. Dissolve, then fill tank with hot water and apply steam to bring temperature to 160°-200°F. Immerse molds and pans until clean. Rinse with potable water.

If more soap or suds are desired with improved rinsability, add 1 to 2 cups of LIQUIK 2 NUBLU per 50 gallons.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Past use Disposal—Pesticide, spray mixture, or rinsate that cannot be used or chemically reprocessed must be disposed of according to approved Federal, state, or local procedures under the Resource Conservation and Recovery Act. Container Disposal—Completely empty the drum by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of drum in a sanitary landfill or by incineration if allowed by state and local authorities. If drum cannot be reused, dispose of in the same manner. Keep this drum closed when not in use.

SUBJECT: [Product Name]
[Address]
YOUR LETTER DATED April 22, 1983

At the time printing of this label I made the following corrections:

- 1. Return the word "with" to the blank printer's error in the "Statement of Practical Treatment" - See label copy attached.
- 2. The words "Active Ingredient" must be aligned (vertically) with the word "Inert Ingredients."

We note that on your last label submission of April 23, 1983, the company address was given as "Birkco Corporation," P.O. Box 330, Westminster, Colorado 80030 USA, whereas the company address on the last reviewed label of May 17, 1982, was given as: "BIRKO CORPORATION, DENVER, COLORADO," and the company address of record is "BIRKO CORPORATION, P.O. Box 1215, DENVER, COLORADO 80201." Please indicate by letter the preferred company address which you wish to appear on your label (and our records).

Sincerely,
[Signature]
