EXTRA HEAVY DUTY CLEANER AND SANITIZER

DIRECTIONS FOR USE

- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Before using this product, food products and packaging materials must be removed from the room or carefully protected.

FOR HEAVY DUTY CLEANING Use 4-8 pounds per 50 gallons of water. Fill drum 1/2 full of cold water. Add SU TEC FG and dissolve. Fill drum with hot water. "Rough Down" with water to remove meat scraps. Apply SU TEC FG solution and allow to work about 10 minutes. Rinse thoroughly with potable water.

If more soap, suds or foam is desired with improved rinsability, add 1/4-1/2 gallon LIQUID 2 NU BLU per 50 gallons.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Pesticide Disposal—Pesticide, spray mixture, or residue that cannot be used, or chemically reprocessed must be disposed of according to approved Federal, state, or local procedures under the Resource Conservation and Recovery Act. Container Disposal—Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum cannot be reused, dispose of in the same manner. Keep dry. Keep container closed when not in use.

SODIUM HYDROXIDE, GRANULAR MIXTURE/CORROSIVE MATERIAL UN 1823.
