Subject: Supplemental Label for Non-Bearing tree fruits, nuts and vines
Onager Miticide
EPA Registration No. 10163-277
Your submission dated February 9, 2004

Dear Ms. Lamas:

The supplemental labeling referred to above and submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable subject to the following comments. At your next label printing, or within eighteen (18) months, whichever comes first, you must incorporate this supplemental labeling into the main product labeling. A stamped copy of the label is enclosed for your records. Please submit three copies of your final printed label before you release this product for shipment.

1. Correct the spelling of the word "perennial" on your label

If you have any questions regarding this action, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

A handwritten signature in black ink, appearing to read "George T. LaRocca".
