Subject: Registration Review Mitigation for Fenazaquin
Product Name: Fenazaquin Technical
EPA Registration Number: 10163-295
Application Date: 9/23/2021
Case Number: 671159

Dear Kyla Smith:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above-mentioned product in connection with the Fenazaquin Interim Decision (ID). We have concluded that the above-mentioned product label does not require the mitigations outlined in the Fenazaquin ID. Therefore, a new stamped approved label will not be provided, and no additional action will be required by the Agency. Refer to the Pesticide Product Label System for the last stamped approved label for this product.

If you have any questions about this letter, please contact Katherine Atha by phone at 202-566-1933, or via email at Atha.Katherine@epa.gov.

Sincerely,

Dana L. Friedman, Chief
Risk Management and Implementation Branch 1
Pesticide Re-Evaluation Division
Office of Pesticide Programs
U.S. Environmental Protection Agency
