100%

**KEEP OUT OF REACH  
OF CHILDREN  
DANGER!**

**POISONOUS. VERY TOXIC. FIRST AID:** If swallowed, first  
treat with milk followed by olive oil or cooking oil. Call a  
physician immediately.

If on skin, wash off excess chemical and flush skin with cold  
water for at least 15 minutes. If irritation persists, get medical  
attention.

If in eyes, flush with cold water for at least 15 minutes. Get  
medical attention.

**SEE ADDITIONAL PRECAUTIONS  
ON SIDE PANEL**

EPA Reg. No. 10182-33  
EPA Est. No.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a  
manner inconsistent with its labeling.

For Repackaging or Reformulating as a Disinfectant,  
Algaecide, or Sanitizer: Each repackager or reformulator must  
obtain his own registration from the Environmental Protec-  
tion Agency to market his product.

**STORAGE AND DISPOSAL:** Do not contaminate water,  
food or feed by storage or disposal. Storage: Keep product  
dry in tightly closed container when not in use. Store in a  
cool, dry, well-ventilated area away from heat or open  
flame. In case of decomposition, rupture container if possi-  
ble, and flush with large amounts of water to dissolve all  
material before discarding this container.

**POSTPONED DISPOSAL:** Pesticide wastes are acutely haz-  
ardous. Improper disposal of excess pesticide, spray mix-  
ture, or residue is a violation of Federal Law. If these wastes  
cannot be disposed of by use according to label instruc-  
tions, contact your State Pesticide or Environmental Con-  
trol Agency, or the Hazardous Waste representative at the  
nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Completely empty liner by shak-  
ing and tapping sides and bottom to loosen clinging par-  
ticles. Empty residue into application equipment. Then  
dispose of liner in a sanitary landfill or by incineration if  
allowed by State and local authorities. If drum is container  
rusted and cannot be reused, dispose of in the same man-  
ner.

## NOTICE TO BUYER

Seller warrants that this product conforms to the chemical  
description on the label and is reasonably fit for the pur-  
poses stated on the label when used in accordance with  
directions under normal conditions of use. This warranty  
does not extend to the use of this product contrary to label  
instructions, or under abnormal use conditions, or under  
conditions not reasonably foreseeable to Seller, and Buyer  
assumes the risk of any such use. Seller disclaims all other  
warranties, expressed or implied, including any warranty of  
FITNESS or MERCHANTABILITY.

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

INSERT 2

**PHYSICAL AND CHEMICAL HAZARDS:** Strong Oxidizing Agent. Mix only with water. Use clean, dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction, with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood with large volumes of water, if necessary.
