EPTAM® 7-E / SONALAN E.C.* TANK MIX FOR WEED CONTROL IN DRY BEANS

A tank mix combination of EPTAM 7-E plus SONALAN E.C. will give a broader spectrum of weed control than either product used separately.

GENERAL USE PRECAUTIONS: Do not graze or feed forage from treated fields to livestock. Read both the EPTAM 7-E and SONALAN E.C. labels carefully before using this tank mix. Observe all cautions and limitations on labeling of both products.

Do not contaminate water when disposing of equipment washwaters.

*SONALAN is the registered trademark of Dow Elanco Company.

DIRECTIONS FOR USE:

It is a violation of Federal law to use these products in a manner inconsistent with their labeling.

MIXING: Add the recommended rates of both EPTAM 7-E and SONALAN E.C. to the spray tank during filling and mix thoroughly. Appl. in 10 to 40 gallons of water per acre.

SPRAY EQUIPMENT: Use any properly calibrated low pressure boom type herbicide sprayer which will apply the material uniformly. Check calibration frequently during application and observe the nozzles to be sure they are delivering a uniform spray pattern.

SOIL INCORPORATION: The EPTAM 7-E and SONALAN E.C. combination must be incorporated thoroughly in the top 2 to 3 inches of soil immediately after spraying. Spraying and incorporation should be accomplished in the same operation if possible. Refer to the EPTAM 7-E and SONALAN E.C. labels for complete incorporation procedures and the proper incorporation equipment.

RECOMMENDATIONS

Dry Beans: Make application before planting, using rates listed in the following table:

BEST AVAILABLE COPY

APPLICATION RATES PER BROADCAST ACRE

		<u>SONALAN E.C.</u>	
EPTAM 7-E (pints)	Soil Type	General Weed Control (pints)	Nightshade* and Groundcherry* (pints)
2 1/2 - 3 1/2	Coarse	1 1/4 - 2	3 - 3 1/2
	Medium	1 3/4 - 2 1/2	3 1/2 - 4
	Fine	2 1/4 - 3	4 - 4 1/4

Two incorporation passes are required for nightshade or groundcherry control.

The EPTAM/SONALAN tank mix more effectively controls the weeds listed for EPTAM alone plus these additional weeds:

Wild Buckwheat
Groundcherry (Lanceleaf and Wrights)
