Statement of Practical Treatment: First Aid

If swallowed:
DO NOT induce vomiting. Immediately give large quantities of water. If vomiting does occur, give fluids again. Never give anything by mouth to an unconscious person. Call a physician or the nearest Poison Control Center immediately.

For eye contact:
Hold eyelids apart and flush with large amounts of running water for at least 15 minutes. Call a physician.

For skin contact:
Flush with large amounts of running water for 15 minutes. Remove contaminated clothing and shoes. Get medical attention if skin irritation occurs. Wash clothing before reuse.

If inhaled:
Remove to fresh air. Get medical attention if respiratory irritation occurs.

FOR 24-HOUR EMERGENCY MEDICAL ASSISTANCE, CALL ICI AMERICAS MEDICAL EMERGENCY INFORMATION CENTER (800) 327-8633 OR CHEMTREC (800) 424-9300

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed.
Avoid contact with skin, eyes and clothing. Avoid inhalation of spray mist. Wear rubber gloves, goggles and protective clothing. Wash with soap and water immediately after use or contact. Do not contaminate food and feed. Keep away from heat and fire.

Est. Reg. No. 10182-221

Maintenance Products, Inc.
374 South Front Street
Memphis, TN 38103

Attention: Michael Mashburn

Gentlemen:

Subject: Deo San
EPA Registration No. 7389-4
Your Submission Dated November 22, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.

Front Panel

- a. Delete the Phenol Coefficients section.
- b. The signal word "Caution" must be placed directly below the statement "Keep Out of Reach of Children."
- c. Delete the words "Eye irritant."
- d. Revise the statement "Read cautionary label on right side panel carefully" to read:

See right side panel for additional precautionary labeling.

- e. Remove "Sodium Carbonate" from the active ingredients and include it in the inerts. Adjust the total inert percentages accordingly.
- f. Change the words "Inactive Ingredients" to read "Inert Ingredients."

Barnyardgrass
Crabgrass
Foxtails
Johnsongrass (seedling)
Sicklepod
Velvetleaf
Wild cane
Yellow and Purple nutsedge
And Others

Important

Read all label directions before using. See attached booklet for use precautions, directions and recommendations.

Storage and Disposal

Prohibitions:
Do not contaminate water, food, feed or fertilizer by storage or disposal.

Storage:
Keep container tightly closed when not in use. Can be stored at temperatures as low as minus 50°F.

Pesticide Disposal:
Rinse spray equipment. Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Disposal:
Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Notice To Buyer and User

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller, and Buyer and User assume the risk of any such use. SELLER DISCLAIMS ALL

OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY. SELLER SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT AND SELLER'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE.

DIRECTIONS

for efficient and economical use

AS A DISINFECTANT-CLEANER Dilute 2 oz. per gallon of water (1 to 64).

For Floors: Apply with a clean mop, sponge, cloth or sprayer. Agitate with brush or machine to loosen soil. Allow solution to remain in contact with surface for several minutes, then take up with a mop, sponge or vacuum pickup. If floor wax or finish is to be applied, rinse with clean cool water, otherwise rinsing is not needed.

For Walls, Tables, Counters, etc: Apply with clean cloth, sponge or sprayer, rub to loosen soil. Wipe off and let dry. No rinsing is needed.

AS A DEODORIZER For surfaces with mildew or mold. Dilute 3½ oz. per gallon of water. For all other surfaces, dilute 1 to 2 oz. per gallon of water. Apply with cloth, sponge, sprayer or mop. On vertical surfaces start at bottom and wash up, doing a small area at a time. DEO-SAN renders positive deodorization as a result of chemical action.

AS A SANITIZER Dilute 1½ to 2 oz. per gallon of water. Apply and rub as needed to remove soil. Wipe off and let dry. No rinsing is needed.
