Do not apply more than 4.6 lbs. of DEVRINOL 2-G per 1,000 sq. ft. in California. PM 25

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

MAY BE HARMFUL IF SWALLOWED. Do not breathe dust. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after use.
- Avoid contamination of food and feed

ENVIRONMENTAL HAZARDS
- Do not apply directly to lakes, streams, and/or ponds
- Do not contaminate irrigation water or water used for domestic purposes

GENERAL PRECAUTIONS
- Do not allow pets to feed using
- Use only for recommended purposes and at recommended rates. Do not overdose

WHAT THIS PRODUCT DOES

DEVRINOL 2-G Ornamental controls certain annual grassy and broadleaf weeds as they germinate. It does not control established weeds.

The weeds controlled are listed below.

WEEDS CONTROLLED BY DEVRINOL 2-G

Annual Grasses:

Barnyardgrass, Junglerice (*Echinochloa* spp.)
Wild Barley (*Hordeum leporinum*)
Annual Bluegrass (*Poa annua*)
Brome (*Bromus*)
Cheatgrass (*B. secalinus*)
Downy Brome (*B. tectorum*)
Ripgut Brome (*B. rigidus*)
Soft Chess (*B. mollis*)
Large (Hairy) Crabgrass (*Digitaria sanguinalis*)
Smooth Crabgrass (*Digitaria ischaemum*)
Southwestern Cupgrass (*Eriochloa gracilis*)
Foxtails (*Setaria*)
Bristly Foxtail (*S. verticillata*)
Giant Foxtail (*S. faberi*)
Green Foxtail (*S. viridis*)
Yellow Foxtail (*S. lutescens*)
Goosegrass (*Eleusine indica*)
Sweetclover, Yellowsweetclover (*Melilotus officinalis*)
Wild Oats (*Avena fatua*)
Panicums (*Panicum*)
Guineagrass (*P. Maximum*)
Fall Panicum (*P. dichotomiflorum*)
Texas Panicum (*P. texanum*)
Witchgrass (*P. capillare*)
Italian Ryegrass (*Lolium multiflorum*)
Sandbur (*Cenchrus* spp.)
Red Sprangletop (*Leptochloa filiformis*)
Stinkgrass (*Eragrostis cilianensis*)

Annual Broadleaf Weeds

Carpetweed (*Mollugo verticillata*)
Common Chickweed (*Stellaria media*)
Coast Fiddleneck (*Amsinckia intermedia*)
Filaree (*Erodium* spp.)
Groundsel (*Senecio* spp.)
Prostrate Knotweed (*Polygonum aviculare*)
Lambsquarters (*Chenopodium album*)
Prickly Lettuce (*Lactuca serriola*)
Little Mallow* (*Malva parviflora*)
Redroot Pigweed (*Amaranthus retroflexus*)
Pineappleweed (*Matricaria matricarioides*)
Common Purslane (*Portulaca oleracea*)
Horse Purslane (*Trianthema portulacastrum*)
Common Ragweed** (*Ambrosia artemisiifolia*)
Annual Sowthistle (*Sonchus oleraceus*)

*From seed
**Suppression

WHERE TO USE THIS PRODUCT

DEVRINOL 2-G Ornamental can be applied over small ornamental plants or around larger plants in rose gardens, container plantings, ornamental landscapes and ground covers including dichondra.

Use DEVRINOL 2-G Ornamental for weed control in the following plants:

Deciduous and Evergreen Trees

Alder, Ash, Birch, Black Walnut, Cedar, Citrus, Crabapple, Cypress, Dogwood, Douglas Fir, Eucalyptus, Ficus, Fir, Gleditsia, Hemlock, Japanese Larch, Laburnum, Malus, Olive (Olea), Palm (Washingtonia robusta), Picea, Pin Oak, Pinus, Pittosporum, Podocarpus, Populus, Prunus, Psacs, Pistachios

Deciduous and Evergreen Shrubs

Abelia, Asparagus (Sprengeri), Azalea, Bottlebrush, Bougainvillea, Buxus, Camellia, Cotoneaster, Crape Myrtle, Dogwood, Euonymus, Forsythia, Gardenia, Heather (Calluna), Hibiscus, Honeysuckle (Lonicera), Hypericum, Ilex, Juniperus, Leucothe, Ligustrum, Nandina, Natal Plum, Jasmine, Osmanthus, Photinia, Pittosporum, Podocarpus, Pyracantha, Raphiolepis, Rhododendron, Rosa, Star Jasmine, Taxus, Viburnum, Xylosema

Ground Covers

Ajuga, Carpobrotus, Dichondra, Dichondra, Euonymus, Hedera, Hypericum, Iceplant, Ivy, Lantana, Lonicera, Osteospermum, Pachysandra, Sedum, Vinca

CONTAINER STOCK

Abelia, Acacia, Agapanthus, Agonis, Asparagus, Azalea, Bottlebrush, Bougainvillea, Buxus, Camellia, Cedar, Cotoneaster, Crape Myrtle, Cypress, Dogwood, Douglas Fir, Eucalyptus, Euonymus, Fir, Forsythia, Gardenia, Geranium, Heather, Hedera, Hibiscus, Ilex, Juniperus, Leucothe, Ligustrum, Lonicera, Nandina, Pachysandra, Palm (Washingtonia robusta), Photinia, Pinus Spp, Pittosporum, Podocarpus, Pyracantha, Raphiolepis, Rhododendron, Rosa, Sedum, Star Jasmine, Thuja, Vinca, Xylosema

Devrinol®
2G-Ornamental
Selective Herbicide

A Pre-emergence Herbicide for Weed Control in Home Flower Gardens and Landscape Plantings. Use in Deciduous and Evergreen Trees and Shrubs, Ground Covers, Perennial Flowers, Fruit and Nut Crops, Container Grown Plants, and Turfgrass.

ACTIVE INGREDIENT:	
N,N-diethyl-2-(1-naphthalenyloxy)-Propionamide	2.0%
INERT INGREDIENTS:	98.0%
	100.0%

Contains 2 Pounds Active Ingredient per 100 Pounds

Keep Out of Reach of Children

CAUTION

STATEMENT OF PRACTICAL TREATMENT

If an adverse reaction occurs after exposure, promptly initiate the recommended procedures below. If further treatment is required, seek medical attention.

In case of contact: Flush eyes and skin with plenty of water for several minutes. Get medical attention if eye or skin irritation occurs.

If swallowed: Immediately give several glasses of water and induce vomiting by placing a finger on the back of the victim's tongue. Give fluids until vomitus is clear. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

If inhaled: Remove to fresh air. Seek medical attention if respiratory irritation occurs or if breathing becomes difficult.

CONTAINER STOCK (Cont.)

Flowers

African Daisy, Aster, Bird of Paradise, Chrysanthemum, Dahlia, Daisy, Geranium, Gladiolus, Narcissus

Fruit & Nuts

Almond, Apple, Apricot, Cherry, Filbert, Grape, Lemon, Nectarine, Orange, Peach, Pear, Pecan

Strawberry:
(Applications should be delayed until the desired number of daughter plants established. Do not apply from bloom through harvest.)

WHEN TO USE THIS PRODUCT

DEVRINOL 2-G Ornamental should be used before weeds germinate/established weeds.

Application can be made anytime of the year to weed free soil. Fall application will provide excellent weed control the following spring and summer.

In containers, apply after potting and watering the plants.

HOW TO USE THIS PRODUCT

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply this product as specified on this label.

DEVRINOL 2-G Ornamental should be spread evenly on the soil surface with a properly calibrated granular herbicide applicator.

Do not apply when weather conditions favor drift from areas treated.

When weed infestation is heavy or when broadleaves are the primary weeds, apply on 145 square feet (3.3 lbs./1,000 sq. ft.). For annual grassy weeds or where infestation is light, use one pound on 218 square feet (4.6 lbs./1,000 sq. ft.).

DEVRINOL 2-G Ornamental should be incorporated evenly into the soil to a cultivator to a depth of 1-2 inches or irrigation or natural moisture (rainfall) should be within 2-3 days) for optimum results.

For weed control in dichondra, apply at the time of seeding or to established dichondra soil. Irrigate with a minimum of one inch of water.

RECOMMENDATIONS: TURF GRASS (For Use on Warm Season Grasses Only)

DEVRINOL 2-G is recommended for annual bluegrass, crabgrass and goosegrass in the following established turf grasses: bahia, bermudagrass, centipede, fescue.

TIMING OF APPLICATION:

For control of crabgrass and goosegrass, apply DEVRINOL 2-G at the time of Application should be made 2-3 weeks prior to weed emergence. DEVRINOL 2-G applied with a gravity flow drop spreader or a cyclone type spreader. Application can be made by spreading half the required amount over the area and applying the remainder at right angles.

DEVRINOL 2-G requires a minimum of one half (½) inch of rainfall or irrigation application for adequate control. If irrigation methods are not available, application of DEVRINOL 2-G should be moved back several weeks to allow between application and weed germination.

RATES OF APPLICATION:

For Crabgrass Control: Apply 100 to 150 lbs. of DEVRINOL 2-G uniformly (2.30 lbs. per 1,000 sq. ft.). Use the higher rate when applying before June 1 in areas north of South Carolina or when weed infestation is expected to be heavy.

For Goosegrass Control: Apply 100 to 150 lbs. of DEVRINOL 2-G per acre (2.30 lbs. per 1,000 sq. ft.). Goosegrass usually starts to germinate 6 to 7 weeks before crabgrass germination.

Split Application For Crabgrass and Goosegrass Control: When both weeds are to be controlled, apply 100 lbs. of DEVRINOL 2-G spread uniformly (2.30 lbs. per 1,000 sq. ft.) for crabgrass and another 100 lbs. of DEVRINOL 2-G for goosegrass. Apply 8-10 weeks apart. Timing should be adjusted to the germination in your area. Split applications give longer and better weed control than one.

For Annual Bluegrass (Poa Annua) Control: Annual bluegrass is a winter weed of the warm season turf regions therefore, application of DEVRINOL 2-G should be the fall before the annual bluegrass germinates. Apply 100-150 lbs. of DEVRINOL 2-G per acre (2.25-3.38 lbs. per 1,000 sq. ft.).

Reseeding: Do not reseed or overseed within six months after application.

*Where a rate range is given, use the higher rate when weed infestation is expected to be heavy.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Keep container closed when not in use. Store in a cool, dry place. Do not store near seeds or fertilizer or food stuffs.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE TO BUYER AND USER

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions not reasonably foreseeable to Seller, and Buyer and User assume the risk of any such use. SELLER DISCLAIMS ALL OTHER WARRANTIES EXPRESS OR IMPLIED INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY. SELLER SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. SELLER'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE PAID BY BUYER OR USER.
