

Devrinol[®]
50-DF
Selective Herbicide

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.
Storage: Keep container closed when not in use. Store in a cool dry place. Do not store near food, feed, or food stuffs.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide Control or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal: PLASTIC BAGS: Do not reuse. Completely empty bag into appropriate equipment. Then dispose of empty bag in a sanitary landfill or by incineration, if allowed by State and local authorities. By burning, if burned, stay out of smoke. PLASTIC CONTAINERS: Triple rinse (or equivalent). Then offer for recycling, if available, or puncture and dispose of in a sanitary landfill, or incineration, if allowed by State and local authorities. By burning, if burned, stay out of smoke.

Notice To Buyer and User

Label is printed on this product in conformity with the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with directions thereon under normal conditions of use. This warranty does not extend to the use of this product in violation of label instructions or under abnormal use conditions, or under conditions not reasonably foreseeable to Seller. Buyer and User assume the risk of any such use. SELLER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY. SELLER SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR REMEDY DAMAGES, RESULTS FROM THE USE OR HANDLING OF THIS PRODUCT AND SELLER'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE.

DANGER
STATEMENT OF PRACTICAL TREATMENT

[illegible]

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the situation.

2. Once the problem is identified, the next step is to define the objectives and goals of the project. This helps to clarify what needs to be achieved and provides a clear direction for the work.

3. The third step is to develop a plan or strategy to address the problem. This involves breaking down the problem into smaller, manageable tasks and determining the resources and timeline needed to complete them.

4. The fourth step is to implement the plan. This involves putting the strategy into action and monitoring progress regularly to ensure that the project is on track.

5. The final step is to evaluate the results of the project. This involves assessing the outcomes against the objectives and goals, identifying any challenges or lessons learned, and determining the next steps for future work.

1. 1990年12月25日，在“九七”香港回归前夕，香港各界人士纷纷发表文章，就香港前途问题提出自己的看法。其中，香港《明报》副刊《明报副刊》发表了一篇题为《香港前途的展望》的文章，文章指出，香港在回归后将面临一系列挑战，包括经济、社会、文化等方面。文章认为，香港在回归后将保持其原有的自由、开放、包容的特点，但同时也要面对来自内地的竞争和压力。文章呼吁香港各界人士共同努力，为香港的繁荣稳定做出贡献。

1. The first part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.
