PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

HAZARD IF SWALLOWED OR ABSORBED THROUGH SKIN. Avoid contact with skin, eyes or clothing. Wear protective clothing, long sleeves, pants, and rubber gloves. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

First Aid: If swallowed, do not induce vomiting or give anything to eat or drink. If in eyes, flush with plenty of water. Get medical attention if irritation persists. If on skin, wash with plenty of soap and water.

For other product information, contact your local ICI Americas Distributor or see Material Safety Data Sheet.

DIRECTIONS FOR USE

1. A solution of 250 ml of product in 100 gallons of water is recommended for use. The amount of water to be used will vary with the type of application.

2. Do not apply to wet foliage. Do not apply to plants that are stressed or damaged.

3. Do not apply to plants that are in bloom. Do not apply to plants that are being treated for other diseases.

4. Do not apply to plants that are being treated for other diseases.

5. Do not apply to plants that are being treated for other diseases.

6. Do not apply to plants that are being treated for other diseases.

7. Do not apply to plants that are being treated for other diseases.

8. Do not apply to plants that are being treated for other diseases.

9. Do not apply to plants that are being treated for other diseases.

10. Do not apply to plants that are being treated for other diseases.

11. Do not apply to plants that are being treated for other diseases.

12. Do not apply to plants that are being treated for other diseases.

13. Do not apply to plants that are being treated for other diseases.

14. Do not apply to plants that are being treated for other diseases.

15. Do not apply to plants that are being treated for other diseases.

16. Do not apply to plants that are being treated for other diseases.

17. Do not apply to plants that are being treated for other diseases.

18. Do not apply to plants that are being treated for other diseases.

19. Do not apply to plants that are being treated for other diseases.

20. Do not apply to plants that are being treated for other diseases.

21. Do not apply to plants that are being treated for other diseases.

22. Do not apply to plants that are being treated for other diseases.

23. Do not apply to plants that are being treated for other diseases.

24. Do not apply to plants that are being treated for other diseases.

25. Do not apply to plants that are being treated for other diseases.

26. Do not apply to plants that are being treated for other diseases.

27. Do not apply to plants that are being treated for other diseases.

28. Do not apply to plants that are being treated for other diseases.

29. Do not apply to plants that are being treated for other diseases.

30. Do not apply to plants that are being treated for other diseases.

31. Do not apply to plants that are being treated for other diseases.

32. Do not apply to plants that are being treated for other diseases.

33. Do not apply to plants that are being treated for other diseases.

34. Do not apply to plants that are being treated for other diseases.

35. Do not apply to plants that are being treated for other diseases.

36. Do not apply to plants that are being treated for other diseases.

37. Do not apply to plants that are being treated for other diseases.

38. Do not apply to plants that are being treated for other diseases.

39. Do not apply to plants that are being treated for other diseases.

40. Do not apply to plants that are being treated for other diseases.

41. Do not apply to plants that are being treated for other diseases.

42. Do not apply to plants that are being treated for other diseases.

43. Do not apply to plants that are being treated for other diseases.

44. Do not apply to plants that are being treated for other diseases.

45. Do not apply to plants that are being treated for other diseases.

46. Do not apply to plants that are being treated for other diseases.

47. Do not apply to plants that are being treated for other diseases.

48. Do not apply to plants that are being treated for other diseases.

49. Do not apply to plants that are being treated for other diseases.

50. Do not apply to plants that are being treated for other diseases.

51. Do not apply to plants that are being treated for other diseases.

52. Do not apply to plants that are being treated for other diseases.

53. Do not apply to plants that are being treated for other diseases.

54. Do not apply to plants that are being treated for other diseases.

55. Do not apply to plants that are being treated for other diseases.

56. Do not apply to plants that are being treated for other diseases.

57. Do not apply to plants that are being treated for other diseases.

58. Do not apply to plants that are being treated for other diseases.

59. Do not apply to plants that are being treated for other diseases.

60. Do not apply to plants that are being treated for other diseases.

61. Do not apply to plants that are being treated for other diseases.

62. Do not apply to plants that are being treated for other diseases.

63. Do not apply to plants that are being treated for other diseases.

64. Do not apply to plants that are being treated for other diseases.

65. Do not apply to plants that are being treated for other diseases.

66. Do not apply to plants that are being treated for other diseases.

67. Do not apply to plants that are being treated for other diseases.

68. Do not apply to plants that are being treated for other diseases.

69. Do not apply to plants that are being treated for other diseases.

70. Do not apply to plants that are being treated for other diseases.
