Mr. S.K. Theodorakis
ICI Americas, Inc.
Agricultural Products
Wilmington, DE 19897

Dear Mr. Theodorakis,

Subject: Revised Labeling in Response to Agency Letter Dated
February 11, 1991
Commodore 10 WP
EPA Registration Number 10182-282
Your Submission Dated April 4, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling change listed below before you release the product for shipment bearing the amended labeling:

- Delete "lawns" from "Outdoor Use." This is not an approved outdoor use site for lambdacyhalothrin and was inadvertently missed in our previous label review.

Submit five copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

MAY BE FATAL IF SWALLOWED. HARMFUL IF ABSORBED THROUGH SKIN OR INHALED. CAUSES EYE IRRITATION. MAY CAUSE ALLERGIC SKIN REACTION.

Do not get in eyes, on skin or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. IF IN EYES: Wash with plenty of water. Get medical attention if irritation persists. IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists. IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration preferably mouth-to-mouth.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. Do not contaminate water by disposal of equipment washwaters. Do not apply directly to any body of water. Apply this product only as specified on this label. Care should be used when spraying to avoid fish and reptile pets.

FOR 24-HOUR EMERGENCY MEDICAL ASSISTANCE CALL 1-800-F-A-S-E-M-E-D (327-8833).

FOR CHEMICAL EMERGENCY: Spill, leak, fire, exposure, or accident call CHEMTREC 1-800-424-9300.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal. Do not use empty container.

STORAGE: Mix as needed. Do not store diluted material. Do not store near food or feed. In case of spill on floor or paved surfaces, sweep up and remove to chemical waste area.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty jar into application equipment. Then puncture and dispose of empty jar in a sanitary landfill, by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

CONDITIONS OF SALE AND LIMITED WARRANTY:

No Directions for Use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, mixture with other chemicals not specifically recommended or other influencing factors in the use of the product, all of which are beyond the control of the Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Seller harmless for any claims resulting from such factors.

Other warranties that this product conforms to the chemical descriptions on the label and its reasonably fit for the purposes stated on the label, subject to the inherent risks referred to above, shall be void in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller, and Buyer and User assume the risk of any such use. SELLER DISCLAIMS ALL OTHER WARRANTIES, IMPLIED OR IMPLIED INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY.

From Buyer or User claim losses or damages resulting from the use or handling of this product (including claims based on contract, negligence, strict liability or other legal theories). Buyer and User shall promptly notify in writing Seller of any claims to be eligible to receive either of the remedies set forth below. The EXCLUSIVE REMEDY OF BUYER OR USER and the LIMIT OF LIABILITY of Seller will be, at the election of Seller, refund of the purchase price paid for product bought or replacement of amount of product used. SELLER SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT AND SELLER'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE.

FIRENZE & COMPANY, INC.		(302) 571-TYPE	
300 Cornett Dr., Suite A-2, Wilmington, DE 19801		FAX (302) 571-0897	
UNIT: WD2	VOLUME: G10M	GROUP: ICI	
FILE: F108240-01	DATE: 2/13/81	TIME: 17:09	OPERATOR: boo
DESCRIPTION: CAMILLE BENSON-ICI-PO. 22020-91-COMMODE WP			

Under the provisions of the Federal Insecticide, Fungicide, and Rodenticide Act, the following information is provided for the purpose of identifying the product and its use.

10182-282

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For residual pest control in and on buildings and structures and their immediate surroundings and on modes of transport. Permitted areas of use include but are not limited to industrial buildings, houses, apartment buildings, laboratories, buses, greenhouses, stores, warehouses, vessels, railcars, trucks, trailers, aircraft, schools, nursing homes, hospitals, restaurants, hotels and food manufacturing, processing and servicing establishments.

COMMODORE WP insecticide is intended for dilution with water for spray application. Do not use strainers finer than 50 mesh size. Fill sprayer with the desired volume of water and add COMMODORE WP insecticide. Close and shake before use in order to insure proper suspension of the wettable powder. Shake or resprinkle sprayer before use if spraying is interrupted. Make up or 'y' as required. COMMODORE WP can be reapplied at 21 day intervals if necessary.

DIRECTIONS FOR USE

Pests	Concentration of Active Ingredient	Dilution Rate
Ants, Carpet Beetle, Centipedes, Cockroaches (Maintenance),** Firebrats, Saw-toothed Grain Beetle, Cigarette Beetle, Confused Flour Beetle, Flies, Lesser Grain Borer, Millipedes, Red Flour Beetles, Rice Weevil, Silverfish	0.63%	1 scoop* /gal water
Cockroaches (Clean-up), Crickets, Pillbugs, Scorpions, Sowbugs, Spiders	0.08%	2 scoops* /gal water

*1 scoop = 8.45 ounces of COMMODORE WP

**May be partially effective against heavy populations often found in public housing and apartment buildings with inadequate sanitation. In addition, more frequent applications may be needed on concrete surfaces.

Ants: Apply to any trails, around doors and windows and other places where ants may be found. Apply barrier treatments to prevent infestation as directed below; also see OUTDOOR USE. **Cockroaches:** Apply to areas where these pests hide, such as baseboards, corners, storage areas, closets, around water pipes, doors and windows, attics and eaves, behind and under refrigerators, cabinets, sinks, furnaces, and stoves, the underside of shelves, drawers and similar areas. Pay particular attention to cracks and crevices; also see OUTDOOR USE. **Flies:** Apply directly to walls, ceilings, window screens, and other fly resting areas as a residual surface treatment. May be used inside residential buildings as well as in and around carpenter, garages, and storage sheds; also see OUTDOOR USE. **Pantry Pests (i.e., Carpet beetle, Confused flour beetle, Cigarette beetle, Lesser grain borer, Red flour beetle, Rice Weevil, and Saw-toothed grain beetle):** Apply to cupboards, shelving and storage areas. Remove all utensils, uncovered foodstuffs (or any having original package opened), shelf paper before spraying. Allow treated surfaces to dry and cover shelves with clean paper before replacing any utensils, foodstuffs or other items. Any foodstuff accidentally contaminated with spray solution should be destroyed. **Sowbugs, Pillbugs,**

Millipedes, and Centipedes: Apply around doors and windows and other places where these pests may be found or where they may enter premises. Spray baseboards, storage areas and other locations. Apply barrier treatments to prevent infestation as described below; also see OUTDOOR USE.

Application Within Food Handling Establishments: (places other than private residences in which exposed food is held, processed, prepared or served) including, but not limited to, areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing foods, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas. Use as a crack and crevice or spot treatment in and around both food and non-food areas. Apply in small amounts directly into cracks and crevices, using equipment capable of delivering a jet stream of insecticide, in joints between different elements of construction, between equipment and floor, openings leading to voids and hollow spaces in walls, equipment and bases.

Limit individual spot treatments to an area no larger than 20% of the treated surface. Individual spot treatments should not exceed two square feet. Take extreme care that the product is not introduced into the air. Avoid contamination of food and food processing surfaces.

Not for use in USDA meat and poultry plants.

Application Within Food Serving Areas: (facilities where foods are served, such as dining rooms). Apply as a crack and crevice or spot treatment to selective surfaces, such as baseboards, under elements of construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food (Do not apply when facility is in operation or foods are exposed).

Application of this product in the Food Areas and/or Food Serving Areas of Food Handling Establishments (other than as a spot and/or crack and crevice treatment) is not permitted.

Outdoor Use: For control of ants, centipedes, cockroaches, crickets, millipedes, scorpions, sowbugs, pillbugs, spiders, flies. Apply with either hand or power sprayer as a residual spray to surfaces of buildings, porches, screens, window frames, eaves, patios, lawn refuse dumps, garages and in other areas where these pests are found.

Barrier Treatments: To help prevent infestation of buildings, apply to a band of soil and vegetation 6 to 10 feet wide around and adjacent to the building. Also, treat the building foundation to a height of 2 to 3 feet where pests are active and may enter. Apply as a coarse spray to thoroughly and uniformly wet the band area, using 1 gallon of spray mix per 400 square feet.

Notes: Do not use water base sprays of COMMODORE WP in conduits, meter housings, junction boxes, switch boxes, or other electrical equipment because of possible shock hazard. Let surfaces dry before allowing children and pets to contact surfaces. Protect aquariums from spray mist. Thoroughly wash out sprayer and screen with water and detergent before using COMMODORE WP insecticide. Do not use this product with oil.

Do not apply this product in patient rooms or in any rooms while occupied by the elderly or infirm. Do not apply to classrooms when classes.

Do not apply this product to edible crops.
