PRODUCTION SEED CORN, SILAGE CORN AND POPCORN

FOR DISTRIBUTION IN THE STATES OF: IA (NORTH OF ROUTE 30), MN, ND, SD

SURPASS® EC HERBICIDE

EPA Reg. No. 10182-325

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Following soybean harvest, apply to soybean stubble after October 15, when the sustained soil temperature at 4-inch depth is less than 50°F, but before ground freezes. Use on medium and fine textured soils with greater than 2.5% organic matter. Only corn may be planted the following spring.

Ground may be tilled before or after application. Do not exceed 2-inch incorporation depth if tilled after application.

If a spring application is made, the total rate of the fall plus spring application must not exceed the maximum labeled rate for corn grown on that soil.

All applicable directions, restrictions and precautions on the EPA-registered label are to be followed.

This labeling must be in the possession of the user at the time of pesticide application.

SURPASS® is a trademark of a ZENECA Group Company.
