DANGER
KEEP OUT OF REACH OF CHILDREN
STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For contact with eyes, call a physician. Remove contaminated clothing and wash before reuse.
 If swallowed, promptly drink a large quantity of egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.
NOTE TO PHYSICIAN: FOR EMERGENCY INFORMATION, 1-800-FAST-MED. Probable mucosal damage may contraindicate the use of gastric lavage.
CORROSIVE: Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.
ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.
DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SWIMMING POOLS

INITIAL DOSE: Add 1 fluid ounce of BAQUA CHECK 50 per 1,000 gallons of pool water. For persistent algae or slime-producing microorganism growth, add 5-7 1/2 ounces of BAQUA CHECK 50 per 10,000 gallons of pool water into the skimmer with the filter pump running. After one minute, shut off the pump and allow the system to remain off overnight. The following day, restart the filter pump and add 5-7 1/2 ounces of BAQUA CHECK 50 to the pool. Run the filter continuously for 24-48 hours, brushing the sides and bottom of the pool frequently.

Maintenance dose should be added weekly. If high temperatures prevail or pool has unusually heavy use, add maintenance dose more frequently.

Maintenance dose should be added after a heavy or prolonged rainfall.

If make-up water is added at the rate of more than 10% per week of pool capacity, add 1/2 fluid ounce BAQUA CHECK 50 for each 1000 gallons of fresh make-up water added.

When swimming season is over, add initial dose prior to closing pool. This dose helps provide a measure of control of algae growth during the winter months. This treatment will also help the servicing of the pool before it is returned to use the following season.

When BAQUA CHECK 50 is used as directed, it is effective against *Chlorella pyrenoidosa* (green algae), *Phormidium luridum* (black algae), *Lyngbya versicolor* (blue-green algae), and other swimming pool algae and slime-producing microorganisms.

For persistent algae or slime-producing microorganism growth, add 5-7 1/2 ounces of BAQUA CHECK 50 per 10,000 gallons of pool water into the skimmer with the filter pump running. After one minute, shut off the pump and allow the system to remain off overnight. The following day, restart the filter pump and add 5-7 1/2 ounces of BAQUA CHECK 50 to the pool. Run the filter continuously for 24-48 hours, brushing the sides and bottom of the pool frequently.

STORAGE AND DISPOSAL

STORAGE INSTRUCTIONS: Store in original container in an area inaccessible to children. Keep from freezing.
SPILL OR LEAK PROCEDURES: Small spills may be immediately flushed away with water or absorbed on some absorbent material and incinerated.

PESTICIDE DISPOSAL: To dispose of excess product, securely wrap original container in several layers of newspapers and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. To dispose of empty container, rinse thoroughly before discarding in trash.

BAQUA CHECK 50 is compatible with many swimming pool chemicals, and, when used as directed, it is not harmful to the metal, paint, plaster, or tile surfaces of the swimming pool.

BAQUA CHECK 50, when used as directed, will help improve the appearance and cleanliness of the swimming pool water.

BAQUA CHECK 50 helps inhibit the growth of unsightly algae.

BAQUA CHECK 50 will not lose its effectiveness or strength.

BAQUA CHECK 50 requires no special equipment for treating swimming pool water. The correct use-dilution may be added directly to the pool in any spot.

NOTE TO BUYER AND USER - LIMITED WARRANTY FROM ZENECA INC. - Zeneca Inc. ("Zeneca") warrants that this product conforms to the chemical description on the label, and that it is reasonably fit for the purposes stated on the label when used in accordance with Zeneca's directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, and Zeneca Inc. is not responsible for any injury to persons or property caused by the use of this product. This warranty is limited to the period of one year from the date of purchase of the product. THE REMEDY FOR THIS WARRANTY IS LIMITED TO REPLACEMENT OF THE PRODUCT. THIS WARRANTY IS LIMITED TO A PERIOD OF ONE YEAR.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.
