HAVASAN LH
Detergent Disinfectant Deodorant

Description:

Havasan LH is a clear liquid product. It is non-flammable having a characteristic odor and contains no free caustic soda.

Uses:

Cleans, sanitizes, disinfects, deodorizes floors, walls, walkways, and fixtures in Hospitals, Institutions, Public Restrooms, and Locker Rooms at Public Pools.

Process:

Havasan LH mixes instantly with hot or cold water. To clean, disinfect, and sanitize all hard, non-porous surfaces found in areas mentioned above dilute 10 ounces of Havasan LH to one gallon of warm water. For gross filth removal Havasan LH may be used as received or diluted 1 to 1 with warm water.

To disinfect and deodorize porous, as well as non-porous surfaces, dilute 12 ounces of Havasan LH to one gallon of warm water.

NO RINSING NECESSARY. Areas treated regularly with Havasan LH will remain free from mold and mildew.

NOTE: Havasan LH will not impart any foreign odor to cleaned areas when used as directed.
