

DIRECTIONS: 1. In freshly filled pools or pools showing no visible algae growth add 5 fl. oz. PRODUCT C per 10,000 gals. of water to prevent algae growth. 2. If algae growth is observed add one quart PRODUCT C for each 25,000 gals. of water to kill and control those algae species most commonly found in swimming pools. When existing growth is dead, clean the pool, drain and refill, if necessary, and add 5 fl. oz. PRODUCT C per 10,000 gals. of water. 3. If the pool water treated as in (1) or (2) above is recycled, add 5 fl. oz. PRODUCT C per 10,000 gals. of water every 5 to 7 days to maintain between 2 and 5 ppm of active ingredient. See evidence for test kit. 4. If the pool water treated as in (1) or (2) above is not recycled, add 5 fl. oz. PRODUCT C per 10,000 gals. of water every 10 to 15 days to maintain between 2 and 5 ppm of active ingredient. See evidence for test kit. 5. If the pool water treated as in (1) or (2) above is not recycled and is not treated with a filter, add 5 fl. oz. PRODUCT C per 10,000 gals. of water every 15 to 20 days to maintain between 2 and 5 ppm of active ingredient. See evidence for test kit. 6. If the pool water treated as in (1) or (2) above is not recycled and is not treated with a filter, and the pool is not covered, add 5 fl. oz. PRODUCT C per 10,000 gals. of water every 20 to 30 days to maintain between 2 and 5 ppm of active ingredient. See evidence for test kit.

WARNING: KEEP OUT OF REACH OF CHILDREN. Contains irritants. Avoid contact with eyes, nose, mouth, and skin. If contact occurs, flush immediately with plenty of water. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Prostate mucosa damage may be caused by the use of this product. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

CONTAINER DISPOSAL: Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place. EPA Reg. No. 10183-17
