

DIRECTIONS:

ROACHES, WATERBUGS IN HOUSEHOLDS or APARTMENTS: Dust the powder liberally into all cracks and crevices where pests hide. Pay particular attention to openings through walls and floors of heating and plumbing pipes. Dust behind sinks, refrigerators, kitchen cabinets and pantry shelves. Repeat as often as necessary.

SILVERFISH: Apply as above, also behind book shelves and storage areas.

ANTS: Apply as above, also along ant trails and entry points.

DO NOT USE IN EDIBLE PRODUCTS AREAS OF FOOD PROCESSING PLANTS, RESTAURANTS OR OTHER AREAS WHERE FOOD IS COMMERCIALY PREPARED OR PROCESSED. DO NOT USE IN SERVING AREAS WHILE FOOD IS EXPOSED.
